

MOVING FORWARD

We are watching over the Words of the Lord released during the 3/11/19 Conference, A Time to Plow in the Carolinas - watching and praying in faith to see Him perform His word! We invite you to join together with many others to decree what the Lord is saying.

We host occasional videoconference series on Zoom (internet) for advancing in watching and for prayer. Our focus is generally the apostolic declarations and prophetic decrees for The Carolinas through Chuck Pierce and Dutch Sheets. We highlight key portions of what was released on March 11 in Columbia, in addition to revelation we are already watching and praying over from Double Portion Harvest Glory (10/22/18 in Charlotte) and Winds of Glory (9/5/17 in Charlotte). We seek the Lord for how He would have us respond to His message, and how He would have us activate these words moving forward in His Kingdom purposes.

We also host occasional live worship gatherings around The Carolinas.
