

The Language of Kingdom Part 2 - Hearing and Discerning God's Voice

Zoom 2 Highlights 4/15/21

I. Opening Prayer and Worship - Susie Zeigler

... He is our banner. There is activation in the presence of the Lord tonight, provision. The Lord sees and meets our needs.

Lord, Your language is going to be formed in us tonight. We are in a language lab, Lord, and you are going to stir up abilities, interpretation... a fluency in us. You are going to bring forth activation, healing, deliverance, provision we need tonight. TY that you are an unlimited God! No limits! A bloodline... the Lord will set his angelic guard around us and tuck us up under his wing. His presence will fill each of our homes. So Lord, we say open every gate wide for the King of glory to come in!

Maggie at GZI had a prophetic word on Sunday, *"If you will take this week and empty yourself before me in worship, and pour it all out, I have a fresh filing for you, I have a fresh anointing, and I have a fresh spirit to put in you."* ...

Playing the song "Voice of God" https://www.youtube.com/watch?v=hP5u4BUcq_U

Heb 1:1-3 (TPT) Throughout our history God has spoken to our ancestors by his prophets in many different ways. The revelation He gave them was only a fragment at a time, building one truth upon another. But to us living in these last days, God now speaks to us openly in the language of a Son, the appointed Heir of everything, for through him God created the panorama of all things and all time. The Son is the dazzling radiance of God's splendor, the exact expression of God's true nature—his mirror image! He holds the universe together and expands it by the mighty power of his spoken word. He accomplished for us the complete cleansing of sins, and then took his seat on the highest throne at the right hand of the majestic One.

Anne Romanello: I want to testify how precious it is when you hear God call your name. May every one know what it is for the Lord to call their name.

Karen Williams: I hear ISA 45:3 "And I will give you the treasures of darkness and the hidden riches of secret places, that you may know I the Lord, who calls you by name, is the God of Israel." He dropped that in my spirit as soon as the song started.

Anne: Wow! Let's worship the Lord that he calls us by name...!

II. Introduction to Tonight, Opening Testimony of Learning to Hear God's Voice in Various Ways - Susie Zeigler

Let HS stir in you. Have a pad and be able to take notes of what He says to you. Thanks to those who have sent in testimony, feedback, words this week.

My testimony: Hearing the Lord through Scripture

I've been a Christian for 45 years, spirit-filled for that time. But for many years I heard HS primarily through Scripture. I say that to distinguish between ways I hear better now, and amazing testimonies we hear in these sessions about hearing God's voice with specific instruction - that was not my experience for many years. I say that to encourage any one here who may feel out of the loop if you are not experiencing some of the testimonies coming forth tonight. The Lord wants us all to hear Him in His word. We can hear in many different ways. And we can grow to hear Him in more ways.

I knew that I could hear His Voice directionally, and for guidance. (Last week we talked about when you are seeking direction and need to know - this choice or that - which is your will? And we also talked about getting guidance when the Lord interrupts you and says stop or do this.) I have experience with both those things through scripture. It is the written word of God, but living and active. When HS speaks to us, He does in an active way.

In this language lab, and the fluency we are seeking, I believe there is a place where we can interact with the Lord continually and hear His Voice throughout the day in what we are doing. We all want that - more communion with the Lord - hear Him whisper and shout, His moods, day in and out.

I remember times when I felt my communication with the Lord was more like writing a letter, putting it in the mailbox, and waiting for him to reply. He would answer my questions, but it wouldn't be like a conversation like I'm having with you. I would have to wait for the letter to come back.

It's a journey for all of us. More and more we are moving in sitting down, face-to-face, in communion with the Lord.

Proverbs 25: 2 God conceals the revelation of his word in the hiding place of his glory. But the honor of kings is revealed by how they thoroughly search out the deeper meaning of all that God says. That's us. We are kings searching out.

Isaiah 55:6-7 Seek the Lord Yahweh when he makes himself approachable; call upon him when you sense he is near. The wicked need to abandon their ways, and sinful ones need to banish every evil thought. Let them return to Yahweh, and they will experience his compassionate mercy. Yes, let them return to God, for he will lavish forgiveness upon them.

Learning to hear and discern the Voice of the Lord - we need to learn and study God's character and ways through Scripture. Even for people who from the day they get saved can hear the Lord talking in their ear, the way you can distinguish that voice to be the Lord is by getting to know the character and ways of the Lord through studying and knowing his Word, engrafting it in your life.

This is my testimony on a long journey of hearing the Lord better and better. It has a lot to do with spending time in his Word, memorizing and meditation on his Word. Seeking his Kingdom, his face, and wisdom - Proverbs is so good! Seeking His wisdom is like seeking treasure.

TPT Romans 8: 14 The mature children of God are those who are moved by the impulses of the Holy Spirit.

As we move with Holy Spirit, we know and discern His voice. Chuck said Sunday it's not about our faith; God's character is faithfulness. On this journey press in to the faithfulness of the Lord. He wants us to hear His voice even more than we want to hear His voice. He wants us to commune with Him.

James 1:21-22 TPT So this is why we abandon everything morally impure and all forms of wicked conduct. Instead, with a sensitive spirit we absorb God's Word, which has been implanted within our nature, for the Word of Life has power to continually deliver us. Don't just listen to the Word of Truth and not respond to it, for that is the essence of self-deception. So always let his Word become like poetry written and fulfilled by your life!

Everyone here tonight is all-in on our pursuit of more of what the Lord has for us in hearing him and discerning his voice so we can obey.

Dixie sent in this week reminding of sh'mah - Hear oh Israel the Lord is one. That word means obey, listen, discern, heed. Our desire is to sh'mah the God of Israel in this.

Everybody hears differently. It's not one-size-fits-all in how to hear. We want to cultivate the ways he wants to interact with us.

Introductions... People sharing ways they typically hear from the Lord.

III. Ways We Hear the Lord

Melanie Wadsworth:

- Still, small voice of the Lord in the Word.
- He has been awakening me in the morning with songs. Sometimes songs in my spirit, sometimes just the lyrics. The songs flow freely through the day. The lyrics - I'm noticing they don't come to memory so easily as when I come across a difficult situation - then they become the songs of deliverance to silence the enemy.
- Through the sense of smell. Ex. smell burning wood - HS would say I want people to lay things down on the altar today. Ex. smell fragrance - it's HS going to do something drawing in an intimate way with individuals I'm meeting.
- Different sounds. Awakened during the night with clear, loud sounds, not earthly - will evoke a picture that gives me more understanding. Ex. Awoke to shattering of glass. The next morning was 9/11. ... Heard ... un-corking of painful personal situation. PS 64 deliver me from evil from secret doers. Then at HOTY was prophesied uncorking. Then covid hit - definite unhinging and uncorking...

Susie: Noting that in every situation it evokes an initial impression, but also begins an interaction/ conversation with the Lord to pursue him further for a fuller understanding.

Lord, we all want to be activated more in our different senses. Ears... Eyes... Smell... Taste... Sleeping and Waking - increasing sensitivity to you in every way.

Julie Turck: 2015 I had just resigned from a wonderful job the Lord told me to resign from. The next major change he was making in my life - at that time I was one of the leaders of intercession in a local church, and the Lord had been speaking to me about stepping down from

that... The Lord said you have until the end of the year. 8-10 days later said it again. He said no, you don't understand me; I am taking you off man's calendar and putting you on My calendar. This was August and He meant I needed to do it by the end of Sept. Fast. Was talking to my friend, pulling into church. Then a butterfly hits my nose, flies into the back seat of my car. Friend said that's transformation. Opened door for him to flutter out so he wouldn't die... The Lord said close the door, it's not going to die. He was saying there was a transformation going on in the intercession dept and I needed to do that. 3 people ask me - did he go under your seat? The Lord was speaking into that as well.

I went in and carried out my business. The next day another friend who knew nothing of my situation said, the Lord said your assignment is over. You know that don't you? ... That the butterfly hit me on the nose - He was giving me discernment in this. Very big transition for me at that point in my life. He spoke it and also confirmed it.

Donna Souza: The Lord speaks to me in many ways. One way that I didn't get was He speaks to me in one word or one sentence. Unusual words and sentences. In my younger days with the Lord I would just miss it - thinking it's just me thinking these things. It wasn't until I aligned with GOZ in 2009 that I was beginning to get why I am like I am. Most of my Christian friends and the churches I had gone to didn't have the same walk...

One word/ sentence - I would begin to call it in... The Lord would give me those things ahead of time, to pray into, to call them in. Sometimes it would be years before I would see or hear of that sentence, sometimes months, sometimes days. I do a lot of writing on my white board with things He gives me. Diaries with phrases and words I'm watching over to see that they come to pass. I'm more confident now in knowing. He and I together expand on it, to pull in the fullness of it. After brain surgery... difficult... now I am beginning to write what he is saying in very lengthy types of conversations between Him and me. Very grateful for that.

Anne: ... This name thing - the Lord may drop a name He has for you, as in Rev 2 to him who overcomes he gives a white stone with the name written on it. Lord I say in this atmosphere you are dropping a name on people, even giving them a stone. Precious promise application - if there is a one-word name He gives you, that you get to investigate with Him in the way He wants to reveal things in IYAR, receive that/ in the name of Jesus.

Susie: I think of how the Lord last week gave us all a word with the treasure box and we all have had an opportunity to interact with the Lord. When you said about calling our name - how many have put your treasure box together or started it? Reminder - Matthew heard to get a treasure chest, and put these thing in it in this order: something new, blue, sharp, dull, round, sound. He said ask Him which room to place it in, in your dwelling place. It's an activity of faith for us to engage in.

Donna Clymer: When he said that last week ...! The week prior my husband and I had been cleaning out boxes in the basement which we hadn't looked at in 37 years since we first moved to MD. Inside was this little treasure chest - it was a gift when Dave bought me a beautiful cedar chest. Amazed - I told Dave what happened on zoom. Right on time!

Susie: Some of you may have something specific in there you may like to testify...?

Henri Donner: I didn't have anything new. I looked down and saw a shiny penny on the ground. What year? 2020. My son said that might be valuable one day because they may have shut down the mint in 2020.

Kelli Gordon: Something blue - light blue mesh bag - the puzzle piece Chuck sent everyone from HOTY. It spoke to me because the Lord is teaching me - I've been with EOZ - Him revealing things about the land. Spoke to me about moving forward together, as part of the puzzle, in the Troop.

Kathy McMillan: It all came together - still waiting for something new. My mother's Celtic cross from Iona. It's dull. Even though dull, we know there is power in what Jesus did on the cross. That line from Lord of the Rings - not all that's gold glitters. This is valuable, not shiny in the natural, but what it represents - inestimably valuable.

Susie: I knew everything except for something new, until Sunday, when the Lord gave it to me. I wrote MERCY on a piece of paper, [shows on camera] when Chuck said that on Sunday. It hit me - new every morning is his mercy.

Donna Clymer: Round - when we were in Oregon 2 years ago - blown glass object that says Hope. And then GOZ sent out this round object - "Victorious, anointed for war." I put both those in my treasure box.

Anne: Donna's was hope, then victorious. When Susie said Mercy - I want to link those things together. I'm here to testify how his mercy is new every morning. He gives you the strength to go through that day, whatever you need to face. That's part of His mercy. Everybody is going through something different - to be victorious in war, to remain in hope, and to receive his mercy to give you what you need for that day. I am so glad to live with the Lord in my life! No other way to live! These are very encouraging words. *"Go tell what this new life is about!"*

IV. The Lord speaking to us, to partner with him in the earth realm

Matthew Gargano: Maybe 15 years ago the Lord started giving me words for people through letters. Bought very specific type and color of paper, envelopes, and seals. He would give me a word of knowledge - name, city, state. I would use the online white pages and get the address. I would type out this letter.

Never when I have written a letter has it returned to me as undeliverable. It bothered me - did I not hear you properly? The Lord said it was because you were too late - asked you to send it earlier, and they moved. I repented of not taking it as seriously as what the Lord did. Don't want to take it for granted or get to a place of familiarity. But it's a wonderful blessing.

About 3 years ago I stopped putting a return address. It's about the Lord and the person. Really irrelevant whether they respond. It lifted something off me. I close it with my first name. I write it, seal it, anoint it, mail it, and move on to the next one.

Anne: It's like God knows that person's name!

Just in case anyone here is asking, is this scriptural? It is scriptural! Combine Matthew's letter writing ministry with what Melanie shared last week - her driving ministry and God tells her were to turn - here's Acts 9. *In Damascus there was a disciple named Ananias. The Lord called to him in a vision, "Ananias!"* (God called his name!)

"Yes, Lord," The Lord told him, "Go to the house of Judas on Straight Street and ask for a man from Tarsus named Saul, for he is praying. In a vision he has seen a man named Ananias come and place his hands on him to restore his sight." ... Go! This man is my chosen instrument to proclaim my name to the Gentiles and their kings and to the people of Israel. I will show him how much he must suffer for my name." Then Ananias went to the house and entered it. Placing his hands on Saul, he said, "Brother Saul, the Lord—Jesus, who appeared to you on the road as you were coming here—has sent me so that you may see again and be filled with the Holy Spirit." Immediately, something like scales fell from Saul's eyes, and he could see again. He got up and was baptized, and after taking some food, he regained his strength.

So Lord, in Jesus' name, based on the testimony here of these witnesses that connects with the power of your word, your awesome mighty ways that work wonders - Lord, we've been pressing in to you for miracles in this season. In Jesus' name we say we are completely open and available to you. We choose to be used for miracles. Even if it is a person unknown to us, in a place unknown to us. Send us. We will go in Jesus' name!

Susie: That song we opened with, the holiness of the Lord. We want to move in the awe of the holiness, specialness, uniqueness, holiness of the Lord. Some of these testimonies are drawing me back into that. How holy it is when the Lord speaks to us. He didn't want you to miss it Julie.

Let's all receive a fresh anointing. He wants to put a fresh anointing on us to act in the timing of the Lord and not procrastinate, not delay, not resist, but quickly obey. Lord, help us. Pour out your Spirit on us that we might quickly hear and obey.

Kelli Gordon: It was around Dec/ Jan 2021 during Tevet. I was reading in [A Time to Advance](#). This is the first time I've every understood those things. Only been with GOZ for a year. Ayin pictures an eye - it says decree let your good eye see. War with the evil eye and break the power of evil watchers. I didn't understand it so I started praying and asked the Lord to let me see clearly from his perspective. Within a week HS highlighted circumstances and relationships and the territory around me.

Moses turned aside to see why the bush burned but didn't get consumed. When the Lord saw him turn aside God called to him out of the bush. I pondered that - He spoke to Moses after that. I asked the Lord to help me turn aside, not miss things the Lord wants me to see. Then be able to respond to whatever He speaks to me through that.

Next few days I was out driving and at least 100 vultures were sitting on a cell tower in the middle of my town. It's directly behind a phone company, next to the Masonic lodge. Something in my spirit - caused me to turn aside - burdened me. I was praying in the spirit, driving around it, seeking the Lord over it. I had remembered I asked to be able to turn aside.

From reading [A Time to Advance](#) "We must understand the evil eye structure..." HS began helping me understand the vultures represent a death structure - they literally feed on death;

phone company represents communication; cell tower literally communicates through airways; masonic lodge represents evil structures.

That week driving around also I saw new pictures painted on a spa, 3 paintings of an evil eye structure. I turned aside to see that. Had received an email from them, offering witchcraft classes there now - something different than just a spa going on there. HS drops Eph 6 in my spirit.

... I began pressing in and praying for my region. Burden wasn't releasing. The Lord reminded me I didn't have to pray alone. He aligned me with a Troop that prays over the Carolinas. He prompted me to set up a phone call with Susie and Anne. I did have to fight lies in my head - they will think you are crazy calling up about vultures. This burden was not light, and I knew the Lord was answering my prayers. So I shared with them, and they did not think I was crazy, but encouraged me that I was hearing the Lord. After that phone call that burden was released.

Update: those vulture don't fit on that communication tower anymore - there have not been hundreds sitting on that tower since that time.

... witchcraft in this area - high places - saw 8-9 witches being loud in town. I saw a lot of arrogance and pride in the enemy. Was driving down the street and the Lord gave me a specific song, "Let the Light In" by Kari Jobe. I opened up my windows - singing it. Every one of them sat down and was not talking by the time I drove past them - as if something covered their mouths. I was praising God. I continued driving around town drawing a bloodline of Jesus around this city. So thankful for the Lord giving me those instructions, and to see authority.

Susie: Our job is to hear how to walk in authority to outwit the enemy. We will talk more about this as we move forward. As we advance with the Lord we want to be able to be accurate in hearing His voice so we can be accurate in praying exactly what He wants us to pray, so we see the structures in the way of his Kingdom coming - they will come down. The things that are trying to stop the move of God will be moved out of the way. And we will be able to partner with the Lord to see that victory and see the establishing of his word. ...

V. 1 Cor 2, Sending Out - Anne Romanello

The Lord is impressing on me in this moment - I feel it in the atmosphere. Yes, we will be gathering in person again! ... Having said that, here tonight there is a great power meeting in the air to receive into each location what God is releasing. For those on this zoom, for those aligned who are watching later - I'm going to send us out with 1 Cor 2. Receive this in the timing we are releasing it - IYAR - with all the promise of the Issachar anointing - to hear and understand the Voice of God, comprehend the Language of Kingdom. As I speak this scripture over us to send us out tonight, receive this. You are a stand for your location, together for this whole territory. This is a multiplication here tonight from what we are doing and from what has been spoken.

1 Cor 2 (TPT) My brothers and sisters, when I first came to proclaim to you the secrets of God, I refused to come as an expert, trying to impress you with my eloquent speech and lofty wisdom. For while I was with you I was determined to be consumed with one topic—Jesus, the crucified Messiah. I stood before you feeling inadequate, filled with reverence for God, and trembling under the sense of the importance of my words. The message I preached and how I

preached it was not an attempt to sway you with persuasive arguments but to prove to you the almighty power of God's Holy Spirit. For God intended that your faith not be established on man's wisdom but by trusting in his almighty power.

However, there is a wisdom that we continually speak of when we are among the spiritually mature. It's wisdom that didn't originate in this present age, nor did it come from the rulers of this age who are in the process of being dethroned. Instead, we continually speak of this wonderful wisdom that comes from God, hidden before now in a mystery. It is his secret plan, destined before the ages, to bring us into glory. None of the rulers of this present world order understood it, for if they had, they never would have crucified the Lord of shining glory. This is why the Scriptures say: Things never discovered or heard of before, things beyond our ability to imagine - these are the many things God has in store for all his lovers.

But God now unveils these profound realities to us by the Spirit. Yes, he has revealed to us his inmost heart and deepest mysteries through the Holy Spirit, who constantly explores all things. After all, who can really see into a person's heart and know his hidden impulses except for that person's spirit? So it is with God. His thoughts and secrets are only fully understood by his Spirit, the Spirit of God.

For we did not receive the spirit of this world system but the Spirit of God, so that we might come to understand and experience all that grace has lavished upon us. And we articulate these realities with the words imparted to us by the Spirit and not with the words taught by human wisdom. We join together Spirit-revealed truths with Spirit-revealed words. Someone living on an entirely human level rejects the revelations of God's Spirit, for they make no sense to him. He can't understand the revelations of the Spirit because they are only discovered by the illumination of the Spirit. Those who live in the Spirit are able to carefully evaluate all things, and they are subject to the scrutiny of no one but God.

For Who has ever intimately known the mind of the Lord Yahweh well enough to become his counselor? Christ has, and we possess Christ's perceptions.

In Jesus' name, I bless these gathered here, and aligned in this Troop, to learn, to speak, to effect the language of Kingdom, to display the almighty power of God. In Jesus' name!
