## NISAN 5784

### Corporate Crossing Over from ADAR II

**Susie Zeigler:** Thank God for all He did as we stood in the double doorway of double Adar this year! We are leaving double Adar months with greater faith, greater joy, and greater strength. YES?! As we enter Nisan, where Adar was about joy and strength, now we are moving into praise and warfare. the Lord has prepared us!

**Kim Jackson testimony:** Story of son Andy getting first job after college in Minnesota... Kim decreed this is the last month you are going to be in MN. 4 DAYS LATER he had a job in Charlotte and moved near her daughter. So thankful for God's faithfulness and timing. He came out of Adar in joy and strength and leaping into Nisan with his best foot forward. He can do this for you too - keep pressing in, stay in God's timing, and praise the Lord!

**Susie on SC Basketball Victory:** Prophetic word we have been decreeing - Chuck prophesied in 2017: *"I will change the voice of the universities of this land [the Carolinas]. I will bring them to national attention, and their voice will sound* (cont'd below)

Elevation Worship - "LION"

### Worship Revelation, Prayers, Decrees

#### ALL ROAR!

**Susie:** I decree the double portion roar of the Lion of Judah opens up the way for us in the season ahead! We roar with you Lord Jesus and open up your way before us, in Jesus' name!

**Kim:** The roar of the Lion will overtake the dragon's fire, in Jesus' name!

**Renee:** ISA 40:4-5 Every valley shall be raised up, every mountain and hill made low; the rough ground shall become level, the rugged places a plain. And the glory of the Lord will be revealed, and all people will see it together. For the mouth of the Lord has spoken."

**Sharon Penquite:** I heard the pounding of the Lion's paws as the kings went to war. He breaks it and we get behind Him. **Susie:** I can hear the rhythm of the Lion of the Tribe of Judah! He's doing a new thing so we are singing a new song.

**Colleen Peace:** In this song is a double chorus One voice singing prepare the way of the Lord. And they layer in - valley be raised up, mountain be made low. I saw a cart with wheels, (cont'd below)

## Corporate Crossing Over, cont'd

*"differently than it has in the past. I say watch, for my wind will enter everything that says university and college in the Carolinas."*

SC beat Iowa! Coach Dawn Staley, before a viewing audience of almost 19 million - a **voice out of the Carolinas - praised God and declared uncommon favor! We are claiming that uncommon favor for all of us!**

### Susie on Transition to Nisan:

Ending the Double Adar with the amazing eclipse! The Lord is moving and the heavens are declaring the glory of the Lord! (Psalm 19)

We have so much to thank God for, from these double doors - we are at the top of the staircase, stepping in to Nisan. **Are you sensing the significance this year of Nisan and Passover? This is the month where Judah goes first - it's not the praise team, it's the apostolic war tribe that knows how to move with sound!**

This month - David - the Tribe of Judah - we are warring with Israel this month. It's the month of deliverance, the month of Passover. This is the month we recognize **we have been redeemed by the Blood of the Lamb, out of the hand of the enemy!**

## Worship Revelation, Prayers, Decrees, cont'd

and on top was a battering ram. They were working together as one unit, but it was actually two different jobs. I decree there is a duality in what we are doing: there is this steady, *prepare the way of the Lord* and the undercurrent takes us through; as battering ram goes forward and the word is decreed, pulling things up and planting things: *Valley be raised up! Mountain be made low!* Prepare the way of the Lord!

**Gloria:** We are going to roar through the door! God is arising in our roar. His enemies are going to be scattered as we release the roar.

**Shannon:** I saw a picture of people worshipping and on this one narrow paved road, I saw the Lion of the Tribe of Judah enter. And everybody stopped, parted the way, bowing down, ready to go with Him. It was very holy. He is here, He has arrived, He was roaring.

**Susie:** Let's bow down here - and later - bow down before the Lord as an act of worship.

**Janelle:** As Colleen referenced the duality - when I was dancing, it made me think of our words, and sometimes we are at the forefront, and sometimes we fade into the background, but we have to keep our decrees going. We cannot let them fade off or drop the ball. All of that prepares the way for our Lord. Without that you are not carrying that momentum through. The importance of every moment, every action - the CONSISTENCY is very needed.

**Camille:** As Colleen and Janelle said - and the bowing down - such a profound time to reap and sow, go forward and be still... "Let this mind be in you that was also in Christ Jesus." What is the Lion thinking? He is minding glory, healing, setting the captives free, casting out demons, territories. We don't know what He is minding until we get into His mind at every turn. ...Such a fluid motion of the Holy Spirit - you can't take a marching order unless you have checked in with the Mind of Christ... You can be doing a right thing but in the wrong time... It's about the love Holy Spirit is imparting for us to know what to do next, and it may not look like anything you have done before.

**Susie:** It's keeping a posture of bowing down. We just physically did that. I want to do that more often. (cont'd below)

## Tabernacle of Moses, David

**Anne Romanello:** Every month we look at what was Jesus doing this month, and what else happened in the Bible, on which God put a time tag indicating this month. (Anne lists some key events in Nisan from Bible... including some of His resurrection appearances...!)

The Tabernacle of Moses (Exodus) was completed and consecrated in the first week of Nisan - for worshipping God in His Holiness.

In Nisan Jesus promised Holy Spirit. John the Baptist identified Jesus as 1) The Lamb who takes away the sin of the world, and 2) The One who will baptize us in Holy Spirit.

Only the high priest could enter the holy of holies in Moses' Tabernacle, and just once a year. Jesus is our High Priest - He went into the Holy of Holies in Heaven once and forever! He is our High Priest forever! We do not need another.

Listen to the Lord for what He may speak to you as you watch this video from Chosen People Ministries about the Tabernacle of Moses.

**God dwelt among His people in a tent. Now He dwells in His people through His Spirit!**

**All Worship the Lord**

(cont'd below)

## Worship Revelation, Prayers, Decrees, cont'd

**Anne:** Kim said "The Lion's roar overtake the dragon's fire" and I keep coming back to that. This decade, every Passover is special, we have another piece of it - this decade is about the Lion's roar vs. the dragon's fire. We need to pull this in. I say in Jesus' name, the Lion's roar overtakes the dragon's fire of trying to stir up insolence in this territory. The Lion's roar overtakes it!

**Kim:** I decree the Lion's Roar will overtake any obstacles in our path. The Lord has cleared that path for us. I decree no weapon formed against our path will prosper, and we will hear the Lion's roar, and we will see the desire on our enemies as that roar has overtaken the dragon's fire, in Jesus' Name!

**Susie:** I say the Lion's roar overtakes the thief and catches him. And the thief gives up 7 fold of what he was going to steal, in Jesus' Name!

**Sharon Penquite:** I believe that roar activates "Blessed is He who comes in the Name of the Lord." You bow down. There is a piece here that activates Israel.

**Susie:** All month long, not just now, let's be looking for decrees to make to align with the roar of the Lion.

**Anne:** Let's do a prophetic act corporately on that right now. Think of something that the dragon is trying to breathe fire in your realm. As the people of God, the ones right behind our Lion, we are going to roar with Him and let the roar of the Lion overtake the dragon's fire. In the Name of Jesus, Lord, we are going to roar in a prophetic act, in obedience to your phrenetic word that you are overtaking that dragon's fire! **ALL ROAR!**

~

## Tabernacle of Moses, David - cont'd

**Matthew prays:** Father, TY so much that you sent Your Son Jesus to be the Way and make the Way for us. You are the ultimate Way-Maker! And You set your Word in the form of flesh to dwell among us, to make a way out of no way, through His blood by the power of Holy Spirit because of your great love for us. It is that way that more than makes up the difference where we fall short. Not in anything of ourselves - that could never, ever measure up, but you have accounted us as righteous through the blood of Jesus as demonstrated by your great love for us through the power of Your most Beautiful Holy Spirit, our Holy Yahweh Adonai, our Holy Ruach Ha Kodesh, our Holy Yeshua Hamashiach. We give You all the praise, all the honor, and all the joy, in Jesus' name!

**Anne:** That worship went on for many years as they moved, then they went into the Promised Land, and it went to Shiloh for hundreds of years... When the tribes surrounded it, there was an outer perimeter where nothing unclean could penetrate. Now go read Rev 20, 21, 22. We are practicing our future all the time! With the Feast of Tabernacles we are practicing our future with Him. AWESOME! Every one of us gets to be part of His Bride-City that's coming down.

In the meantime, Jesus gave us the Promise of Holy Spirit. Nisan is so much about Holy Spirit, too. Don't leave him out. It's by the Spirit that Jesus was resurrected. Jesus promised Holy Spirit. It's not only that Jesus went to the place in heaven that he alone could go, by his precious blood, making a way for us - but it's also that He sent Holy Spirit to indwell all of us. That is such good news! His Presence dwelling IN US! We are IN HIM and He is IN US! We have that hope to anchor us! We will carry this through next month and also Sivan - with Pentecost. Let's embrace Him!

While the Tent (of Moses) was in Gibeah, David desired to make another tent in Zion (Jerusalem) - His praise and His presence needs to be here. Holy Spirit came upon him and let him see into the future (prophetic Psalms) the power of the resurrection of Jesus (and us) 800 years into the future. So in David's Tabernacle were there animal sacrifices? No. What sacrifices were there? PRAISE! That went on for 33 years... **Now we have an assignment for PRAISE to be raised up in this region that impacts all our nation.**

## Wisdom at the Gate

**Susie:** "Wisdom is supreme – so get wisdom. And whatever else you get, get understanding." Proverbs 4:7 CSB. Wisdom is seeing things from God's perspective.

Proverbs 8.

CSB 1 Doesn't wisdom call out?

Doesn't understanding make her voice heard? 2 At the heights overlooking the road, at the crossroads, she takes her stand. 3 Beside the gates leading into the city, at the main entrance, she cries out:

VOICE 4 Lady Wisdom: O people! I am calling to you; I have a message for all humanity 5 You gullible people, acquire insight. You naive ones, cultivate a heart that truly understands. 6 Listen, for I am about to tell you of unparalleled excellence and beauty; what I am about to say will set things right. 7 I will only speak the truth; I despise evil, so it will not pass through my lips. 8 Everything I say promotes justice; not one word is crooked, and nothing is distorted.

NASB 9 They are all straightforward to him who understands, And right to those who find knowledge. 10 Accept my instruction and not silver, And knowledge rather than choice gold. 11 For wisdom is better than jewels; And all desirable things cannot compare with her. 12 "I, wisdom, dwell with prudence, And I find knowledge and discretion.

TPT 13 Wisdom pours into you when you begin to hate every form of evil in your life, for that's what worship and fearing God is all about. Then you will discover that your pompous pride and perverse speech are the very ways of wickedness that I hate!"

## Tabernacle - JUDAH PRAISE (cont'd)

**Anne:** Here are prophetic words, and apostolic assignment from the Lord through Chuck Pierce to us (via Surround the Nation Interview.)

*"In SC how God caught me up and showed me America being surrounded with angelic evaluation for the future. **I believe that begins in Passover 2024. That will give us 2 years to really allow each State to come into a new place of fullness.***

*"I decree right now that **the Foundation of God's Kingdom people in the Carolinas make its shift now.** And over these next 18 months to two years it is known nationwide that that shift of the Foundation now can take on **the next move of God that is coming in there.** Because you can feel a new move of God. Anne: We are in the Kingdom Harvest move of God.*

*"I also feel on your coast of the Carolinas, that it is one of the major focal points to change America. And it must be watched after very carefully, and it must be worshipped all the way along the coast.*

*"So I loose a new apostolic anointing on you guys to lead Judah, to lead Judah in the Carolinas into **a whole new dimension of victory and establishment.***

*"You mentioned thrones of iniquity. There are still some thrones that have to be overturned by worship.*

*"I decree that in these next 2 years the Carolinas will be known as Judah rising up and demonstrating itself to an entire nation. Lord, I loose this over them as they move forward into their journeys."*

**Anne:** Remember that perimeter the tribes made around the tent/ ark - no unclean thing could penetrate. We disallow... God's praise establishes that perimeter/ glory. Lord, I'm asking that this Troop, this group will press in and see worship in an entirely new way, as never done before. We don't want to think we will have praise only in the way we have. Lord, we want to press in to how YOU want this praise to go up in these next two years, with every tabernacle I'm looking at here, and many others. In Amos - the fallen tent/ tabernacle of David, being raised up - in some sense has been fulfilled in us, His praisers. And we have a corporate assignment to take it into GREATER. Lord, show us that greater. And let your roar extinguish every flame of the dragon, in Jesus' name!

**Susie:** This tabernacle - the Presence of the Lord is with us. Lord, we are looking for the tabernacle that hosts you day and night, with praise and worship to arise in this territory. Are you in?! All: **YES!**

## Wisdom at the Gate, cont'd

VOICE 14 Good counsel is mine, and also true wisdom. I am understanding, and strength belongs to me 15 It's because of me that kings wield power and authorities decree what is right. 16 It's because of me that leaders and their agents govern and all judge according to what is right. 17 I love those who love me; those who search hard for me will find me. 18 Riches and honor are the benefit of following me; so are lasting wealth and justice. 19 My reward is better than gold, even the purest gold; and my profit is greater than the highest quality silver.

TPT 34 If you wait at wisdom's doorway, longing to hear a word for every day, joy will break forth within you as you listen for what I'll say. 35 For the fountain of life pours into you every time that you find me, and this is the secret of growing in the delight and the favor of the Lord.

**Susie:** We want to grow in the delight and the uncommon favor of the Lord that has been decreed over us!

Lord, we will wait at wisdom's doorway, every day. We are determined! I want to hear a word of wisdom from the Lord every day.

Let's make decrees over our gates. We decree wisdom over every gate! Receive these following decrees for your gate too!

**Anne:** Pull in these decrees - we are one before the Lord. We are giving Him First Fruits - very scriptural. Lord, we receive these decrees, what each is giving and sending, in Jesus' name. (Cont'd next page)
