

I. Welcoming! Beginning in Prayer and in the Presence of the Lord

Susie: Happy Adar Everyone!

Holy Spirit, You are welcome here and in every home. Holy Spirit, we welcome You in this Zoom room. We welcome You to come and fill our hearts, and fill this place with Your presence. Lord, let us be tuned to Your voice. Let us be in Your presence. Lord, align us with You tonight. Align us, Lord, with what You desire to bring forth for us tonight. Lord, let our praise go up before You. Lord, we are here tonight to give praise and honor and glory to the Lord Jesus, the Exalted One. We say Jesus is exalted here! Jesus, exalted here! Throughout this territory, Lord, You are exalted Jesus. You are the exalted one, hallelujah. There is no one like You, Lord!

II. Finishing Shevat Strong, and with Testimony-Praise! Susie Zeigler

Susie: Let's think about all that has happened in the month of Shevat, that we are getting ready to leave. All month long we've been saying, "From the strength that we've gotten from the journey up to this point, we are going to go beyond, and go for it!" Have you been doing that this month? We are going to press forward tonight as we celebrate all that the Lord has done in the month of Shevat.

This month, we all have a testimony from Shevat. Why do I say that? We ended FIRST last time and we were all sent out with an assignment. We were going out to decree "Visible change! Visible change! Visible change into the churches, into the government centers, into the universities! The wind has blown the husk away and now what we see is visible change, it is your glory!" All month long, we've been going places and declaring "Visible change!" Lord, it's Your glory. Lord, it's Your glory.

It wasn't a week later that we got a report from Michael Pham who has a ministry there on the campus at UNC and Chapel Hill. They had a "Carry the Love" meeting and thirteen of the students got saved! Hallelujah! How exciting is that! Visible change on the universities! Here is a testimony video clip from one of the guys telling the story of somebody who got saved *after* the meeting.

Testimony Video Clip: From today I wanted to share, our friend, the student host named Abraham, we followed to the infirmary and would go in. The guy, his name is Eric was sitting on the hospital bed. We meet him and say, "What's up!" We then eventually pray for physical healing for him. We asked the Lord about anything He wanted to say. My buddy, David Parks just looked at the guy. He said, "Have you ever given your life to Jesus?" He said, "No, I haven't, but I really want to right now."

So we look at our friend Abraham and he starts weeping, like immediately, breaks down. After a couple minutes he couldn't speak. He looks at his friend and he said, "I have prayed for you

every single day since freshman year.” He was just crying the whole time. The rest of us were in tears. Eric was crying. It was such a crazy moment. By the time we left, he said, “Man you guys, I feel so good right now.” He said, “I feel so much better than when you guys walked in the room.” He said, “I don’t even really feel like I have the flu right now.” So it was a crazy, crazy moment you guys. It was so fun!

Susie: Visible change! More Lord, more! More Lord, more!

Anne: The siege became a suddenly. One young man praying every day since freshman year for the other young man. Suddenly!

Susie: Praise God. It was after that we heard about the revival at Asbury College. And we began to hear about other colleges. Sharon Penquite’s Alma Mater is Cedarville University in Ohio. We are going to play a worship set from there. They’re one of the colleges where students have just spontaneously experienced the presence of Holy Spirit - revival beginning. We’ve heard reports from Jerusalem. We’ve heard reports from Morningstar. We’ve heard reports from other people, the Ramp in Alabama, all kinds of places that the wind is blowing the husk away.

Tonight, we want to declare, Lord, the wind is blowing the husk away! We declare visible change! It’s Your glory! It’s Your glory! We welcome Your glory in our territory! Come Holy Spirit, come!

Linda Rapp: It’s happening in other nations - the Philippines, one other place I saw too. It’s not just here, hallelujah.

Susie: No, it’s in Israel! We got a great report from Jerusalem, unexpected - just Holy Spirit showed up. Thank You, Lord! Listen, we don’t want to miss this.

Tonight as we are celebrating what the Lord has done in Shevat, we want to carry that through and press forward. We want to celebrate our way out of Shevat with this clip of students worshiping at Cedarville. Let’s worship with them.

Worship Video!

Susie: Lord, our hearts are so full watching these young people pour out their worship to you. Lord, we pour out our worship to you this night, as we gather from the north, the south, the east, and the west, Lord, from the Carolinas and Georgia, Maryland, Virginia, Michigan, Oklahoma. Lord, as we gather from places around this Nation, we join our praises, Lord, with one another to say - Jesus, You are the Lord, and give you endless praise, endless praise!

As we praise our way from Shevat tonight into Adar, who else has a praise to bring to the Lord? Let’s have some spontaneous praise or declaration by the Spirit.

Anne: Blessed be Your Holy name, Lord Jesus! You’re awesome! You’re beautiful! ...

Everyone: Spontaneous praises...!

Kent Logan: I just want to say the fields are ripe for harvest. A couple of times now when I go into the grocery store, middle-aged ladies come up and say, "Could you just help me a little bit. I'm going through a really hard time." I ended up helping this one last time. I said, "This is so messed up. I can't help you. There is only one person that can help you. Do you know Jesus?" She said, "No." I said, "Now it's time that you need to know Him." So I just led her to the Lord right then. I did give her twenty dollars to help her some.

Anne: Thank You, Lord for new life! Thank You for the joy of new life! Yes!

Susie: Babies being born. Yes, Lord!

Tex Terpenning: I went to Asbury this past week. The praise of that was - I was able to help people standing in the line to hear from Jesus for the very first time - so even while we waited standing in line.

Anne: Yes! Thank You, Lord. You're here, just to hear Your voice!

Donna Souza: I just want to praise the Lord. When Frank had his car fall on his arm and the car was turned back over, his arm was unscathed. When Terry was hit by a hit and run running a stoplight, she came out unscathed. When Anaya's car caught on fire she came out unscathed. When Kent fell twice, he came out unscathed. I just want to thank the Lord, that no matter, He is Yahweh! He is our best friend! He is always more than enough for us! When we lay our head down to sleep, our King sends angels with special orders to protect us. When we rise in the morning and wherever we go, He has dispatched the angels with special orders defending us from all harm. It is His arms wrapped around us that protect us. We can run under His covering of majesty and hide. His arms of faithfulness are our shield keeping us from harm. His authority is our strength and peace. The comfort of His love takes away our fear. So why will we fear the future? Only goodness and tender love pursues us all the days of our life. Thank You, Jesus, that You love Your people!

Anne Sings: Faith is like a locomotive. Faith is like a locomotive. Faith is like a locomotive. It's a train!

I heard it Donna, just as if you were speaking in tongues - that praise! Hallelujah! God's train never derails!

Marion Graham: Lord, we praise You and we thank You, Lord because you are doing things we never thought we would see! Lord, the reveal has come, and it's not in one place - it's popping like popcorn, first here and then there. Lord, we thank You that even if we haven't experienced it ourselves, we're going to! We're going to, Lord because it's not going to stop. It's going to inundate us! Lord, we are going to be swept up by it. We praise You. We praise You! What we have been praying for years has come! You are a faithful God!

Susie: Yes! Faithful! Faithful!

Liesha Huffstetler: I know the Lord spared me from a car wreck this week. I pulled out and I didn't see a car. There was an amazing miss.

Susie: Thank You Lord!

III. Welcome ADAR - Praise! Susie Zeigler

Kent Logan: I want to say one other thing. Last night, it was a different feeling - I said Lord, what is this? All I can say is that the atmosphere felt all of a sudden thick. He said, "Those are my angels. I'm sending them out everywhere this month." I checked. It was the first day of Adar. I could feel it. All of a sudden something I was battling, all of a sudden it just disappeared. The ache just kind of disappeared. I knew it was a good atmosphere - I knew Adar has come! My interpretation of Adar as I have studied it - I didn't know much about it, it's like a whole month of Tabernacles. I mean, at least half of it is intended to be a real celebration and a strong finishing off for the year. We are supposed to have a lot of good testimonies this month.

Susie Zeigler: I want to pray and praise us right into the month of Adar. Father, we thank You so much that from strength to strength, from glory to glory, from faith to faith, from month to month Lord, You are the same. You are there! You are great! You are faithful, Lord! Lord, You bring Your glory! Lord, You give us Your love! Lord, You give us Your protection! Lord, You give us testimony after testimony! Lord, You are good! Lord, we thank You Lord that Your steadfast love never fails, but carries us through!

Father, as we gather as a Troop, as we are crossing into the month of Adar, Lord, we give You praise! We say You are worthy of our endless praise! You are the One who we worship! Lord, let our hearts unlock with greater capacity for praise. Lord, let us be a Judah Troop! Let our mouths be continually filled with praise! Let us continually lift up Your name, Lord, seated in the Heavenly places with You, Lord. We give You praise! In Jesus' name!

Here we are in Adar! Adar is the month of Naphtali, the twelfth month. It's the month of Naphtali which means: sweetness to me. This is a time of celebration that any curse can be overturned and things become sweet. We are going to press into that.

The sense of laughter, abounding joy, and light entering into darkness are characteristics this month.

Adar is the time for any wrong decrees that have been spoken over you to be reversed. Hear that! We've got work to do. We want to agree with the Lord in faith on this. Wrong decrees broken off.

Overtake worry this month. Adar is the month to root out depression and despair so faith can break through into your thought process. Even as I say this, those of you who are hearing this and those who will listen to the replay - hear this is the month for depression and despair to break away, so that faith breaks into and takes root into our thought processes. We receive that, Lord!

We take off the cloak of heaviness and replace it with the garment of Praise which we begin with. Hallelujah!

This is also a month of developing our war strategy against the antichrist spirit. That is critical this month - and to guard ourselves from idolatry the season.

We celebrate First Fruits at the beginning of the month so that we can give Jesus all of our praise at the very get go, and He will bless the rest. This is a strong way to break off idolatry because He is the Lord.

Let's begin the month of Adar. Let's praise and enter in movement with this praise.

 **Praise Video**

Anne: Thank You, Lord! You have a people who will let go and praise, praise, praise!

IV. ADAR “Beautiful Words” First Fruit Offerings Anne Romanello

Anne: We have some people in this group who, on behalf of everybody are demonstrating let go and praise, praise, praise, and bringing a FIRST FRUIT offering on behalf of all of us - some kind of beautiful words, or all that Adar, all that Naphtali is. The first one up is Shannon Hair. Here is what Shannon has - her gift to the Lord, and we're all joining in on this.

Shannon Hair: (*From Chuck Pierce's words, “A TROOP will STOMP their way into the future! New Wine will Form.”*)

GIVE ME A BEAT CHEER

Clap Your Hands
Stomp Your Feet
Listen to the Rhythm
of the Warrior Beat
It Goes....

Clap Your Hands
Stomp Your Feet
Stomp into Our Future
with no defeat
Hit It...

Clap Your Hands
Stomp Your Feet
Jesus is the reason
for victory
Listen...

STOMP!!!!!!!!!!

Kathy Amato: I love it!

Anne: Lord, You receive that. Just add your faith to it. That's who we are. He has a joyful house of prayer, and love warriors. We've got a stomp and we've got a clap in us, yes?

Next up is Sharon Came. Sharon has a vision to share with us and just see what the Lord may speak to us as Sharon shares.

Sharon Came: Last week I had a vision of wild horses that were held behind a fence. As the barrier came down and the wild horses were set free, I first saw a couple hundred horses. They kept coming, thousands upon thousands. I thought of *Ezekiel 37:10*, “A great Army of God’s captive wild horses are coming alive. God is tearing down the barriers and they are running free with strength, courage, and determination.” *Their true identity has come alive. Not by power or might, but by Your Spirit dear Lord.*”

As we start the month of Adar, the month to leap and find our true identity, the month of developing our war strategy, I want to declare and decree *Galatians 5:1 (AMP)*, “*In this freedom Christ has made us free [and completely liberated us]; stand fast then, and do not be hampered, ensnared, and do not submit again to a yoke of slavery.*” We say, “Hallelujah, for Your glory Lord!” We say, “Freedom to all the captive ones!” In Jesus’ name!

Horses Running Video

Anne: Catch the movement. Be this movement, this freedom! A Troop on the move! Is the Lord speaking anything to you all from these two clips so far?

Kathy McMillan: When Sharon was first starting I was just hearing freedom, freedom, freedom! And all the religious structures coming down - that religious spirit coming down, and people jumping out! The horses are the people jumping out of the pens. Just jumping out and saying, “We are free!” Also, with that picture, I noticed the little ones, and some of those young little colts and fillies were running out there ahead. So the young ones are moving in that freedom now too, and they’re not afraid. They’re not holding back, and say, “Well can I go too, or do I have to be older?” No! They are going for it too.! We are all in this together!

Kathy Amato: I want to add on to what Kathy was saying. When she was saying with the young ones I felt it really captures the revivals that are breaking out with the young generation. They are knowing their identity in Christ and they’re pushing forward. It’s like a force that is going to be unstoppable. They’re growing up in their identity, knowing Jesus. They’re just going to take things by storm, and I’m excited to see about this. Just to see the horses running and everything that she said - to me it’s the revival that’s broken out.

Anne: Heidi, will you pray for the young ones? Heidi painted this through prayer times for children. Heidi, will you pray for the children to come and be in this revival too.

Heidi Contreras: Father! Father! Father! We cry out to You. We lift up the children, Lord, not just in our own families, but Father, those that have been caught in webs of wickedness, those that have been trafficked, those that have been schooled in the wrong ways. Lord, we lift them up to them to You - the children of our cities, our states, our nations, Lord. We cry out

for the children to be rescued, to come in to the fullness of their destiny, that the angels would be released to surround them day and night to protect them from the evil onslaught that has been ravaging against them and their souls. Lord, I decree these children will be saved! These children will spearhead a revival, that the revival fires are igniting them even now, and everywhere they walk, everywhere they go they will spread the good news of Jesus! Thank You for this, in Jesus' name. Hallelujah! Hallelujah!

Susie: Curses are breaking. Curses are reversing. Curses are falling off, in Jesus' name!

Anne: Amen. We say in, Jesus' name, that anything that dares to stop the move of God shall be stopped! Lord, we're a stand in the way, as intercessors between heaven and earth. We push back and we say no to anything that would dare, dare to stop the move of God! Anything that would destroy the faith of a little one - better be thrown into the bottom of the ocean! Lord, we say the little ones are in this. The young adults are in this. The adults are in this. The seniors are in this. Everything that lives and breathes and moves that's in Your hand and called according to Your name is in this. We say the Kingdom of God comes and goes forth unstopped, in Jesus' name! We decree that over this territory. We decree that over every family represented here, every sphere and field represented here. Yes! The fruitfulness, the fullness of the move of God, the Kingdom move of God. Lord, we are in it. We're all with You and we choose to be used! Use us Lord.

Kim Jackson: I want to pray for the children and that any spirit of confusion be broken off of them. And as we're in the month of Adar, leaping into our true identity, that they know who Jesus has created them to be, that they will reach their destiny. I pray Lord, for the Balm of Gilead to come over their little emotions and their hearts, Lord, and heal them, in Jesus' name.

Donna Souza: I just want to decree that this move of God will not be stopped! This move of God will not be stopped! This move of God will not be stopped! In the name of Jesus.

Anne: Faith is like a locomotive! It's a train! Thank You, Lord. Donna every time you talk tonight, that is what I hear. Praise God. You are unstoppable, God! You are unstoppable!

Michelle Petty: I saw a plunger and it was plunging and the water was breaking free. I felt very strongly when Anne was saying what she was saying earlier about unstoppable - God is unstoppable, and the waters are gushing forward! Bring forth the water!

Anne: The month of beautiful words. I've got a poem to share with you. This is my offering to the Lord. Lord, I dedicate this to You. Lord, may You empower us all to share Your beautiful words and Your love story, in Jesus' name.

TO KNOW REAL LOVE

some people just don't know how loved they really are
one of my friends - she has my heart's best gift, my loyal love, my sure thing love
but does she not know it, dare she ignore it?
it is saddening and maddening, the tragedy
of her self-imposed solitude, a captivity,
a separated future -
some people just don't know how loved they really are

Oh but I know
real love has hold of me, gladly. i'm free!
real love is faithfully strong, purely, joyfully strong
real love is powerfully strong
real love claps invisibly when I enter the room, I can feel the reverberation
real love is unconditionally strong
when i am wary to go beyond
i know i need real love.

real love trusts, endures, believes
real love suffers long

real love holds open a magnificent space for me to grow and go
real love sings a song - of confidence
when i am uncertain to go beyond
i go
freely, because
i know real love is with me

real love walks, talks
real love reaches, teaches

real love touches in the deepest of deeps down in my soul
real love holds on -
when I am inspired to go beyond i know i am breathing in real love

real love is a champion, a dream come true
real love watches over
real love comes through

real love has the best name

Emanuel, God With Us
real love is the best news that could greet us, meet us
the best we could ever believe and receive and become
when i crave to go beyond i know i am rolling on
with Emanuel

He says
you have my heart's best gift, my real and loyal lasting love
I say
May I never sadden or madden you, that though I have your sure thing love,
I would dare ignore it?
Oh May I never forsake you, but even if i do,
May I hear and heed your call:
Come to Me! Run with Us! Go Through!
- Gladly! I say Gladly! Free and Forever Together with you!
My Emanuel!

Lord, that's who You are for us, with us. May none be missing. With You, in Jesus' name.

V. Prophetic Art for ADAR Sharon Penquite

I would like to say that my dog's name is Colt-Naphtali.

Transformation ~ Leap of Joy” Adar 5783.
This art idea came as Chuck spoke at Tim Sheets’ prophetic summit. Tim described our spoken declarations as the threads that wrap the caterpillar, changing it. The transformation to identity or metamorphosis comes as we look into the lighted mirror and see. We can say, “I am not a worm. I am a weapon, transformation leap of joy.”

Anne: What are you seeing?

Heidi Contreras: I see those wings. Those wings to me are full of revelation. They’re straight from the throne room. It’s the Bride of Christ. This is the Esther Ecclesia, standing strong and true. She is matured. She is no longer a worm, but she is a weapon, a threshing weapon with teeth. I see a myriad of angels descending and ascending more than ever before, released into the atmosphere.

Great love. There is just great love. It is known by their love. We are known by our love. It is amazing, this love.

Susie: Sharon, what is at the bottom underneath the wing? It looks like to me a Highway of Holiness coming down from heaven. It is straight up and down. It looks like it's pouring down into the earth.

Sharon Penquite: It's the Highway of Holiness or the stand that holds the mirror. At the base of it is a bowl of intercession.

Susie Zeigler: Yes. I see that. It's like when I look at that - I love this whole transformation - it's also like there is a pouring out. It seems like there is a pouring out into that, did you say it was a basin?

Sharon Penquite: Yeah, like you know a prayer table...

Susie: Lord, we decree that our prayers, the bowls are tipping and our prayers are pouring out, Lord. Your Spirit is pouring out into the prayers of Your people, Lord for transformation.

Sharon Penquite: The Lord used a funny word with this painting. He said the heavens were "festooned" with light. Almost like it was an ocean highway up there. I had to look it up. I don't normally say the word "festooned."

Susie: I loved what Heidi said about the myriads of angels.

Heidi Contreras: I also see wombs in the wings. It's like I see she is birthing. She is about to give birth. It's like twins. There is more. She is expecting a lot. I see a lot of vision in those wings where there's great watchfulness.

Debbie Jolly: Double portion.

Kim Jackson: I see she's looking in a mirror. So she sees herself. I decree that we see our true identity of who we are in the Lord.

Susie: Weapon, not a worm!

Shannon Hair: And I'll go off that because I was getting ready to say that it looked like eyes to me in the wings, and that brings clarity this month. Then when Sharon said the ocean, that's what I saw up there and He's calling us into the deep. We are going into the deep.

Pam Furbay: I saw, because =the Adar being the mask come off, the first thing I saw was the mask. And then the core was the mirror just like she saw. We were looking and finally starting to see face to face. I just saw the mask coming off and the water coming out and our hearts being healed.

Anne: I see the weapon as a radio microphone, like you would broadcast from. And that angel is delivering words and inspiration, and the flow is joining in with all the colors, the fullness, and the multitude. Even the amethyst in the wings - these colors are amazing. So Lord, we say, "Let the good news be broadcast!"

Susie: Beautiful words.

Kent Logan: I keep seeing the Bride is making herself ready.

Susie: Sharon once again, thank you so much for pulling this month together visually for us.

Kelli Gordon: When I look at that I see a victory! I declare a victory in Christ Jesus! I see such celebration over a victory! So praise You now, Lord, for the victory!

VI. Be Strong in the Strength of His Might! Susie Zeigler

Susie: A doe set free. We saw those horses set free from the stall. The hinds feet on high places. I think of the mountains that we are threshing. We've been threshing those mountains. We've got sharp teeth, that's our weapon that we just saw in this picture. We are threshing mountains, but we're also leaping on the mountains. We're leaping because the mountains are a place where we meet with the Lord. But we're threshing the mountains that are in the way because nothing is going to stop the move of God. Nothing is going to stop what God wants to do! And those mountains will be removed to make way for the Lord. So there is a lot going on in these last three months of the year.

Adar is number twelve. Here we are ending in strength. These three months that are at the end of the year are the rear guard months, the three rear guard tribes. We're pulling in freedom. Already so far tonight we zoomed through - there's a lot that's going on. There's a lot going on every month when we're doing FIRST. It goes really fast. I don't want to go so fast that we are not pulling it in, in a way that is going to be released within us. That freedom Sharon declared, that was declared - let's pull that in. The things that we just saw in Sharon's painting, the Bride, that we're a weapon, the identity, the river flowing in. Let's embrace that within us, within our very innermost being.

I really want to talk about it, and I want us to activate strength. The word Adar actually means strength. These last three months we've been building in strength. Last month we said that with the strength that we've had in our journey up to this point, we're going to go beyond and we're going to go for it.

Remember how last month we talked about 11s? Chuck said all 11's - you are at the top of a staircase and there is a door. You have a choice whether you're going to enter that door. So I look at the month of Adar, which is the twelfth month, as the door to our blessing, but we don't know what is behind that door. It is unknown. Are you ready to step through the door?

We say this is a Troop - we're not going to go back down! We are going to step through the door! It made me think of Joshua and the Israelites when they were going into the Promised Land. In order to go through that door we need courage and we need strength. Four times in Joshua 1 the Lord said to Joshua, "Be strong and very courageous." It's not easy to go through that door. We know we want to go through the door. We know we want the blessing. We know we want the Lord. We know we are unstoppable! Do you know that? We are unstoppable. That takes courage and strength.

Lord, we are asking the You would give a revelation of strength to us tonight, a revelation of how we can move in strength in the days ahead, gain strength for the war ahead.

So tonight, the Lord is our strength. We know this. The Lord is our strength, might, fortress. That is what that word means. It means clout, firmness, courage, fortitude, health, power, durability, energy. The Lord is our strength. Primarily bottom line, the Lord is our strength.

Strength is increased capacity to withstand opposition, increased capacity to withstand opposition. Now the Lord is our strength, but we want to be like Proverbs 31 - it talks about the woman in Proverbs 31. (Men, this is for you too.) She girds up her loins with strength and makes her arms strong. Gird up our loins with strength! Does that make you think of how it talks about in Ephesians 6 to gird up our loins with truth? And in Psalm 51 it says truth in our inward parts. So truth is a component of strength. Having truth in our innermost being, aligning ourselves with truth in our spirit, that gives us strength. Al right? Gaining the strength of the Lord - number one is girding up our loins with truth.

Here is another thing. The joy of the Lord is our strength. So truth gives us strength. Joy gives us strength as well. I love James 1. It talks about "count it all joy" when? When do we count it all joy?

Kathy McMillan: When you encounter various trials.

Susie: In the hardest place. Thank you Kathy. Count it all joy when you encounter various trials, knowing that the testing of your faith produces endurance. It produces strength. Endurance is strength. And let endurance have its perfect result that we might be perfect and complete, lacking in nothing. So we need truth in our innermost being. We need the joy of the Lord to come forth to have that endurance and that strength.

Then, when I was looking at the Hebrew word - there are several different Hebrew words that are translated "strength" - but one of them is also translated "troop." There is the strength of the Troop. We saw that in the horses charging, with Sharon's word that she had.

In Psalm 84 that word - talks about those who have the Highway to Zion in their hearts they go from strength to strength, and every one of them appears before God in Zion. That word, from strength to strength, that Hebrew word can be translated troops. It means strength, efficiency, army, and wealth. Together we are efficient. Together we are an army. Together we are wealth that creates strength.

I really see that as in days ahead, more and more, we're going to be linking shields. More and more we are going to be knowing one another after the Spirit, and being for each other, standing together with each other in order to have increased capacity to withstand opposition. Can you see that? Increased capacity to withstand opposition.

So we are in just year three of a ten-year war season, according to Chuck. Do you guys think about this? I think about this all the time. Do you think about how we are in a war season? "A

Time to Triumph.” The subtitle is “How to Win the War Ahead.” Well, you have to have strength and courage to win the war ahead. That’s just a given, right?

Anne: And when that book was written, the war being described, I believe, is in the war we are in now, this present war.

Susie: Hello! We need supernatural strength from Holy Spirit, don’t we? So we are going to press in for this in the month of Adar. These last three months, we are finishing strong. We are going to really complete on that this month and finish strong as a Troop - as individuals and as a Troop. I want you to get this impartation tonight. Those that are listening to the replay, receive this as an impartation. Go to the Lord, receive supernatural strength from Holy Spirit.

We need to gird up our loins with truth. We need to tap into and move in and live in the Joy of the Lord. We need the strength of the Troop. We need to be intentional. We need to participate. We need to show up. We need to press in. We need to bring our piece in the Troop that we are in. We need to link shields, one with another, where we are.

One of my favorite scriptures, in The Passion Translation, is Ephesians 3:16-17 and I want to pray that over us. Lord, right now we are asking you to *“...unveil within us the unlimited riches of his glory and favor until supernatural strength floods our innermost being with divine might and explosive power. Then, by constantly using our faith, the life of Christ will be released deep within us, and the resting place of your love will become the very source and root of our lives”* - each one of us individually and our life together, we claim it, Lord. It is Your word. We pull it in, in Jesus’ name. Be strong in the strength of His might!

VII. Adar Decrees - ISA 52 Rev 21 Anne Romanello

Anne Romanello: We sent out the scriptures that God put a time tag on for the twelfth month, Adar. We’re asking the Holy Spirit right now for those scriptures - we are going to go through some of them together right now. Lord, Holy Spirit, please illuminate what You will. Give us revelation to move in, to prosper in, to be warned in, to thrive and flourish in, this month, through each other, speak, in Jesus’ name.

What we do on FIRST, we like to say it informs everything we do this month. That’s the nature of First Fruits - the whole rest is blessed from this. We also recommend that you grab the notes from the session and pull it in. More! Go deeper, go further. We introduce things here and the Holy Spirit introduces things here. They’re to be mined throughout the month, and to minister in them and to move in it, pray in it, and see your atmosphere transformed in it - where you are, and over this whole territory. That’s one of the benefits of this Troop, yes? That locomotive, like a train it is loaded with benefits this month!

Donna Clymer is my special helper tonight. Thank you Donna. One of the big things that happened in Adar is the second temple was completed and dedicated in Adar, with joy! This is a month of joy, yes? It’s one of the reasons it is such a joyful month - that’s a good thing to

happen, yes? People to return, to come back, and then to enter the presence of the Lord in His Temple.

We are going to take that as two pieces: comeback and enter His presence. Listen to see if God gives you the decree. Through this I am going to ask one person in each section to make the decree.

So I'm saying it's a comeback month. It's a month to come back to the Lord and to enjoy Him in His temple and His presence. So let's call people back to the Lord! When they completed the Temple they were called back out of captivity. Let's call people back to the Lord - come back to their place on the wall, come back to their place of abiding, come back to the path of their destiny this month! Like not only years from now, right now - so they can enjoy the presence of the Lord in His temple - the Body of Christ!

=> Who can pray right now *COMEBACK*, with all of us adding our faith, agreeing?! Who has the comeback prayer?

Heidi Contreras: Father! Father! We decree "comeback!" - everyone that's in our bloodline that has gone astray, to come back to worship, to come back to the Father, to come back to their destiny, to come back to what's written about them in their books in heaven, to come back and stand at that door and go through that door with boldness and grace and joy! Thank You, Jesus.

Anne Amen! We add our faith to that, Lord. Yes! Lord there are people on our list for comeback. There are people on your list for comeback. We say, Lord, we speak that word "comeback" over all of them, in Jesus' name!

Now for the Temple part, the presence of the Lord part - it occurred to me how much Isaiah 52 is so appropriate for Adar, and as is Revelation 21. We're looking back to Isaiah 52 - some promises have been fulfilled, some yet await - wonderful ones for Israel. Revelation 21 is the ultimate when Heaven comes to Earth, pulling down Kingdom into the earth. Let's move in this in a revelatory way. I'm going to speak scriptures from Isaiah 52 and then Donna Clymer is going to come right in behind me with scriptures from Revelation 21. We're going to see in amazement how this goes together, and be listening for what Holy Spirit is saying. In different parts, we will stop and decree. You ready?

Isaiah 52 Awake, awake, Zion, clothe yourself with **strength!** (**ADAR means strength!**)
Put on your garments of splendor, Jerusalem, the holy city.

REV 21:2-3 And I saw the holy city, the new Jerusalem, coming down from God out of heaven like a bride beautifully dressed for her husband. I heard a loud shout from the throne, saying, "Look, God's home is now among his people! He will live with them, and they will be his people. God himself will be with them.

The uncircumcised and defiled will not enter you again.
2 Shake off your dust; rise up, sit enthroned, Jerusalem.

27 Nothing evil will be allowed to enter, nor anyone who practices shameful idolatry and dishonesty—but only those whose names are written in the Lamb's Book of Life.

Anne: Thank You, Lord. So precious, our destiny - the book to be open and see our name there. Thank You, Lord, - to be with You forever!

(Naphtali - like a doe set free!)

Free yourself from the chains on your neck, Daughter Zion, now a captive.

3 For this is what the Lord says: “You were sold for nothing, and without money you will be redeemed.”

REV 21:5-6 And the One sitting on the throne said, “Look, I am making everything new!” And then he said to me, “Write this down, for what I tell you is trustworthy and true.” And he also said, “It is finished!

Anne: It is finished.

4 For this is what the Sovereign Lord says: “At first my people went down to Egypt to live; lately, Assyria has oppressed them. **5** “And now what do I have here?” declares the Lord. “For my people have been taken away for nothing, and those who rule them mock,” declares the Lord. “And all day long my name is constantly blasphemed. **6** Therefore my people will know my name; therefore in that day they will know that it is I who foretold it. Yes, it is I.”

My people will know My Name -

REV 21:6-7 I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. Those who are victorious will inherit all this, and I will be their God and they will be my children.

Anne: Does that sound familiar? Every Rosh Chodesh First Fruits, God loves it and we love it when we say, “You are our God and we are Your people!”

Everyone: “You are our God and we are Your people!”

(Naphtali - like a doe - think hinds feet on high places/ beautiful, creative words of communication)

7 How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, “Your God reigns!” (ref Romans 12)

=> Who will pray this for us - dedicating ourselves, fresh and new this month, to be vessels of the Lord - to bring the good news, to proclaim salvation, and say to Zion - Your God reigns!? Who will do this? Who has this prayer and decree - dedicating ourselves fresh and new to the service of the Lord?

Debbie Jolly: Father God, we come before You and we bless Your name. We thank You, Lord that in the exchange You take our sin, the sin of the Bride. You wash us whiter than snow. You take away and You give us robes of righteousness. You give us the Balm of Gilead, soothe the wounds, and heal us. We dedicate ourselves to You. You give us new clothes so that we are ready for the feast. We thank You, God and we dedicate and consecrate ourselves to You in this hour. We thank You for how You are moving. We say we will move with You. We will wait

expectantly and move with You through the gates. We open our gates Lord, and we receive the King of Glory. Make us Father, one in You, one together. We are in You and You are in us. We thank You for this Father, for Your promises are yes and amen.

Anne: Yes Amen! This is a Troop on the move just like those galloping horses.

Back to Isaiah 52.

8 Listen! Your watchmen lift up their voices; together they shout for joy. (in Adar and every month!)

When the Lord returns to Zion, they will see it with their own eyes.

9 Burst into songs of joy together, you ruins of Jerusalem, (This is what happened when the Temple was dedicated, in Adar.)

for the Lord has comforted his people, he has redeemed Jerusalem.

10 The Lord will lay bare his holy arm in the sight of all the nations, and all the ends of the earth will see the salvation of our God.

9 Then one of the seven angels said to me, "Come with me! I will show you the bride, the wife of the Lamb." 10 So he took me in the Spirit to a great, high mountain, and he showed me the holy city, Jerusalem, descending out of heaven from God. 11 It shone with the glory of God and sparkled like a precious stone—like jasper as clear as crystal.

...18 The wall was made of jasper, and the city was pure gold, as clear as glass. 19 The wall of the city was built on foundation stones inlaid with twelve precious stones: the first was jasper, the second sapphire, the third agate, the fourth emerald, 20 the fifth onyx, the sixth carnelian, the seventh chrysolite, the eighth beryl, the ninth topaz, the tenth chrysoptase, the eleventh jacinth, the twelfth **amethyst**.

(Amethyst is associated with Naphtali/ ADAR)

Anne: An amethyst; that twelfth foundation stone, we see jasper first and amethyst twelfth. That is the stone with this month, Naphtali and Adar. That twelfth foundation, the final one seen, to me speaks of fullness - the full depth. We want to go there with You this month Lord, and beyond. The fullness of foundation, in Jesus' name, for this and for all Your Kingdom people!

Back to Isaiah 52.

11 Depart, depart, go out from there! Touch no unclean thing! Come out from it and be pure, you who carry the articles of the Lord's house. 12 But you will not leave in haste or go in flight; for the Lord will go before you, the God of Israel will be your rear guard.

(Naphtali is one of the 3 rear guard tribes. We say the Glory of the Lord is our rear guard!)

=> Will someone pray, thanking God for His glory as our rear guard protection this month and in this turbulent season? We add our faith, all of us. Let us come out of distraction and anxiety. The enemy Amalek would pick off from the rear, those who are distracted, those who are paralyzed with anxiety! We say not for us! Not for this Troop! The Glory of the Lord is our rear guard! Who will decree it?

Kent Logan: The glory of the Lord comes and there is no equal to our God. The glory of the Lord comes and our enemies are rendered harmless. The glory of the Lord comes. Those who are holy are strengthened. Those that have raised their fist, dug in their heels will fall dead, but the glory of the Lord will be seen and known by all. And we will be strengthened.

Anne: Yes! Amen! Back to Isaiah 52.

13 See, my servant will act wisely; he will be raised and lifted up and highly exalted. 14 Just as there were many who were appalled at him— his appearance was so disfigured beyond that of any human being and his form marred beyond human likeness— 15 so he will sprinkle

many nations, and kings will shut their mouths because of him. For what they were not told, they will see, and what they have not heard, they will understand.

We say revival come! Kingdom come on earth as it is in heaven! Let the kingdom harvest move of God flourish!

2. In this month, Haman tried to annihilate God's people on ADAR 13, but through strategies released from the Lord, those evil plans were overturned on adar 13! God, through his people stopped that which dared try to stop the move of God and his purposes, and his people!

Jesus did this. The exalted servant of the Lord - He did this for us, individually and as his family, his Bride - he stopped that which dared to annihilate us! We are like the doe set free! Now let's use beautiful words of worship and be empowered witnesses of the power of Jesus to save and to keep! He not only saves us, He has the strength to keep us! Are you in?! YES.

Holy Spirit, activate us now. You have a people here. We're all in with You this month. Activate us in greater empowerment, Lord, to be witnesses of precious Jesus, Emmanuel, God with us. We ask You for more opportunities to do this. Lord, this month and beyond - individually and when we are together on assignment, as a multi-gifted apostolic team, in Jesus' name.

VIII. Conclusion and Sending Out Susie Zeigler

Susie: Amen! Praise God. I love how this has flowed together tonight. I trust that you all are feeling empowered to move forward in this month. You feeling encouraged, empowered, joyful?

GLORY OF ZION'S ONLINE WATCHMEN CONFERENCE: SUSIE AND ANNE SPEAK WEDNESDAY, MARCH 1ST AT 7:00 PM eastern

Anne: You guys, this is new level for Embassy of Zion and all of us gathered here and those who are watching later who couldn't be here tonight. It's a new level for us, all of us together. We're at our 11 at the top of the stairs and we jump through. We're in the new!

Debbie Jolly: We'll be praying.

Susie: Thank you Debbie. This is a time that the Lord wants us all to go up with Him. I feel like we are, don't you? I feel like we're in a higher place.

Kelli Gordon: This is bubbling up in me so strong. I just have this faith and I want to release it. I keep on hearing the word that says, "For this purpose He was made manifest to destroy the works of the enemy." I keep on hearing that and hearing that, and hearing that so strongly.

So Lord, we step into this new door, decreeing Your word. You were made manifest to destroy the works of the enemy. We pull that in by faith and release it into this earth realm! That is a part of Your word, that is us going from strength to strength, Lord. We thank You and praise You, Lord, as we carry that word. It is finished! Your Kingdom within us and we release it. We release it as we move forward into this month of Adar, and we bring it with us, in Jesus' name.

Sharon Penquite: Yeah, I've got three words. Sings: "Let Heaven Come!" I've heard it a hundred times since Anne and Donna started speaking. "Let Heaven Come!" We've got to have it!

Kelli Gordon: We decree: of the increase of His government there shall be no end!

Anne: The presence of the Lord is here! Let heaven come! The increase of his government, there shall be no end! Yes, on earth as it is in heaven! Your kingdom come! Your will be done!

Kent Logan: Yes. There is a greater corporate unity anointing - at least I've never felt that before on this level on this event tonight. The Holy Spirit is doing His work and we are responding to Him.

Susie: He is taking us up! I wrote this down a little bit earlier. He's given us His beautiful words so that we can overturn the curse. He's given us His arsenal of weapons so that we can defeat that antichrist spirit. Kelli, that's what you were saying - He's come to defeat the works of the devil. We've an arsenal with beautiful words to reverse the curse. We have an arsenal of weapons to defeat the enemy. He's given it to us. He's pouring it out on us. Even just in this time tonight. He's given us His identity that we belong to Him. We've got what we need. So we're ready to go forth into this month?

I want to send us out to go forth in freedom, to go forth in joy, and to go forth in the strength of the Lord! Hallelujah! Happy Adar everyone!

Anne: Happy Adar! Let's keep it going all month.

Susie and All: Happy Adar! To be continued...!
