

FIRST! Tammuz 5782 Highlights Embassy of Zion 6/29/22

I. Going Up Together in Prayer, Testimony, Word, and Worship

=> Prayers of thanksgiving and exaltation of our Great God! Sivan - Last month we worshipped Our God is a consuming fire! At the very end of this month of the Open Heavens, we just have to say God opened the heavens over our nation and caused the Supreme Court decision to be recorded on earth !

ALL PRAISE and THANK GOD! We are your people; you are our God!

=> An earthquake happened at 7:03, while on zoom, and some from SC felt it!

II. 3 YEAR PROPHETIC WORD: WORSHIP 7X A DAY - LIFE! Susie Zeigler

Power of partnering with Holy Spirit when a prophetic word is quickened to you!

7 x a day prophetic word - August 4, 2019.

Chuck Pierce: Judah plows where the ground won't give. Judah is roaring. Roar at your hard place. Plow at your hard place.

Marty Cassady: This morning the Lord said I have taken you to such a high place. Your feet may be grounded here in earth realm but I have called you to be seated with me in heavenly places. He said if all of us will agree - set your phone to praise him 7 times a day - all of us here and on the web - can you imagine what's going to go out in the spirit realm over this nation? We say yes Lord!

Anne Tate: And the Lord says that in this day, as you give your day and you do the worship 7 times a day, I will eliminate within 3 years the worship of the god chemosh in the USA. That was the one that dedicated the children and killed them and placed them on the wall. The Lord says 3 years and it will be over!

Tony and Michelle spent the past 3 years, having set phones for 7x a day praising God - with the FAITH to see an end to abortion. Maybe some others of you have done this, too.

The Lord is a rewarder of those who diligently seek him. Heb 11:6. We are all getting the reward of the answer to this prophecy.

III. Worship Through Testimony of Faithfulness Tony Petty

Story of their daughter, on Saturday, giving birth to (miracle) child #3, having been told ... no children. This was within hours of the court case announcement.

Also - folks that Tony prayed with and influenced ones at Crisis Pregnancy Center in Gastonia who also did the 7x a day praise.

Also - Saturday was Tony's mother's birthday, who was an orphan...

Ps 17 Our God is good; He keeps his promises. I have learned: do the one thing - partner with God...

Susie: We are a praising Troop. When that word came forth 3 years ago, we gathered in person for FIRST then, and we spent two months worshipping as a Troop, pulling in this prophetic word... There is great VALUE of a troop gathering monthly... I hope this encourages you as much as it has me - these words that we are watching over today - we know they will come to pass. We want to remain faithful...

IV. Going Up in Worship Together

=> **Worship Video** "O Mighty Ones" - by Incense and Arrows

The Lord delights in showing mercy! Pour out Your mercy on this nation and turn us back to You!

V. The Battle Turned at the Gate!

Anne: We have danced in advance, for decades. God's people, including a great many in the great cloud of witnesses are rejoicing, even as they danced in advanced for this season - when the decree of death and agreement of spirit of death through Roe vs. Wade was overruled! There are a lot of people throwing temper tantrums. May God's people throw praise parties! I'm so grateful!

The battle does turn. It's still a battle... We especially turn our prayers for the Supreme Court Justices.

We decree life and blessing and flourishing and fruitfulness over Amy Coney Barret and her large family, over Samuel Alito Jr and his family, over Neil Gorsuch and his family, over Bret Kavanaugh and his family, and over Clarence Thomas and his family. Lord, bless them richly,

protect them, keep them. Insulate them from the hatred, curses, vile things being said about them, Let them hear the Voice of God calling their name, let them feel Your regenerative power, every good thing from the river of the water of life, from the throne of God, through Holy Spirit into their lives. Renew these justices, their staff, their family.

Anyone who has participated in any prayer, march, or conversation for life - let there be a flourishing, and a blessing, in Jesus'. Lord you have a people who stand in resurrection life for everything you did and won for us. Let this be our finest hour of standing in resurrection power! Let us shine brilliantly as your people, reflecting your glory! The more we gaze upon your lovely face, let that glory grow and reflect out of us into the atmosphere. We say light shall penetrate the darkness! Life prevails over death and darkness! Jesus has won it!

This month - chet - letter 8 for new beginnings. We all have new beginnings, finding our footing in the new place, now that the battle has turned at the gate... Lord help us to find our new footing. Help us to go up and see from your perspective. Turn us. Mindset shifts. You keep leading us from glory to glory.

Chet also is letter for LIFE! Life Life Life! Things are shaking in the abortion camp. Don't look only at the temper tantrum - death has suffered a setback - now attract them to life! This month light coming in - shine and be brilliant!

Susie: And the way to move through this month is through worship.

Chuck said at HOTY. "There is going to be a war over our State houses this year. So I want you to get ready for that." Chuck sent us all to worship at the city where our state houses are. We did... The battle has shifted now to State Houses. Amazing - this is the year of the house. Chuck said to declare peace, be still. And that Jezebel would come out - not us pull her out - but she would come out - watch. Also declare righteousness over our statehouses.

Participants from Zoom pray and decree over their statehouse, and we all agree with them:

Sharon Penquite - GA. GA will do the right thing. GA will uphold the law. The fear of God will fall on GA.

Martha Sharpe - SC. On this day, especially this week, we are of the kingdom that cannot be shaken through it may be shaken around us. We declare that righteousness exalts a nation. We speak to our representatives from the governor to local government and we say line up with righteousness. We decree it will prevail, and they will do exactly what the law says, in Jesus' name.

Christine Tracey - NC. I decree over NC abundant life, resurrection life, eternal life. I bind her to the tree of life. And living waters will flow through her out to the nations, in Jesus' name.

Melanie Wadsworth - VA . I send the blood of Jesus to statehouse in Richmond VA for cleansing, repentance, and redemption. I decree every seed of government in VA will come forth in fullness and power, standing in alignment with heaven, working to establish God's Kingdom in the earth.

Theresa W - MI. I decree over the state of MI that we will abide by the will of God. We will honor God and his plan for our State, in the strong name of Jesus. I decree we will not follow politics or things against the will of God, but we will align ourselves with the will of God, in the name of Jesus.

Jai Cohen-Smith - OK. Father, I declare that we will live and not die, and declare the works of the Lord, that Life will manifest itself in this State. I TY for divine intervention. Life! Life! Life!

Susie: We thank you that your Kingdom comes, and your will is done, on earth as in heaven!

Donna Clymer - MD. I decree over MD statehouse that that abortion law they have passed - it will be null and void. We will follow the law of the land. We speak life, life, life over MD. We speak righteousness into that statehouse of MD. We will be a state that follows the Lord, in Jesus' name.

Susie: We say over these statehouses - what Chuck said, "You are going to decree that jezebel will be pulled out of the house. You will not pull her out, you are going to watch her be pulled out. Because God won't pull her out until there is a seed to be brought forth to be seated in place. And we are going to see a real war over that."

Lord, we pray you raise up righteous rulers, a righteous seed to be set in place, to replace the jezebels that will be pulled out. We commit this to you, in Jesus' name. Lord, we are worshiping our way forward, as worship warriors. Our eyes are on the prize of your horizon line to see your glory and your name exalted in this land, in Jesus' name!

VI. Testimonies of Introducing Holy Spirit

Anne: Last month on FIRST we looked not only at Heb 12 how we have come to Mt. Zion, but we also looked at how did Jesus introduce people to HS, and how may we introduce people to HS? The challenge went out to ask for opportunities and introduce people to Holy Spirit in Sivan and going forward. Now, testimonies?

Sharon Penquite: Story of her yard man, Mr. Anthony, who called her on father's day and said, "I found Jesus, I met the Holy Spirit!" I've prayed for him for 2 years... such a spirit of death over him - prayed that it would break. He called me to say he found Jesus and met Holy Spirit!

All celebrate new life in the family of God!

Anne: Testimony is worship. I had an opportunity this month at Cowboy Church, to introduce/ activate in power of HS. Story of it - outdoors - no singing for worship - wonderful, ready yet spontaneous testimonies. Both believers were there and also unbelievers who would not attend traditional, indoor church. Seeing the atmosphere open and HS come in through testimonies - opportunity to move in healing not taken, then opportunity to move in gift of faith and unforgiveness not taken, when testimonies were released. I saw:

1. When someone testified of forgiveness - spirit of unforgiveness could not stand to remain in atmosphere - it was open then that folks *could* be free to forgive...
2. When someone said - just open your eyes and you see miracles all around. I took that opportunity to say Gift of Faith came in, and in your communion with Holy Spirit, he can unlock that gift for you... If you want that gift operating in you life by power of Holy Spirit, lift up your hands and say Lord, yes! We want to lay hold of the gift of faith and want this in operation in our lives. Unlock in us the supernatural gift of faith, in Jesus name. The atmosphere was open and the people willing - they did it with me!

Activating **Gift of Faith** in people on this zoom and watching later... and for **Testimony** opening the way.

Susie: thinking of the song about honey on our lips. Lord give us that... heart of worship!

Anne: Testimony of True Life in Jesus!

VII. Think Differently - Worship, Shine Brilliantly

Susie: This is the month to shine and be brilliant, worship brilliantly. Holy Spirit has been challenging me to think differently about worship. Anne gave example of testimony as worship...

Challenge - ask HS about looking at worship in a different way...

Tony: One of the words for worship in Hebrew is actually service. Our biggest act of love is being like Jesus in serving each other. When your heart changes and goes there - ... what is the light that person needs to see? ... in heart of worship and love it blesses them if you just serve them.

Jai: We are his temple... carry his glory.

Susie: ...Worshipping at a higher level in Tammuz - begins summer months - tribes of Reuben, Simeon, Gad - the battle axe brigade. They were rough, mean, ready for a fight. But the Lord used them for His fight...

We are worshipping at a higher level as we move into Tammuz and we have to war with our worship... Pressing through summer up to 5783. A warrior is not daunted by something unexpected... focus on his goal, victory. Our Eyes on Jesus allow us to fight boldly... Get your battle axe ready for our worship warring through the summer months. ... Think of yourself as an axe shining brilliantly before the Lord, and being sharp for Him.

Homework: What does he consider worship? New arenas to worship him - partner with HS to put Jesus first in all things this month.

VII. Prophetic word - Uprooting Bloodshed, Greed - Kim Jackson, Susie

Susie: One more thing about this month - we want our eyes to shine brightly. We in the Carolinas have been in conversation about prophetic word about anointing for unity and prosperity.

Kim Jackson: We all know that God said he was going to uproot: bloodshed, division, broken covenant, greed, and wrath.

...I was reminded of the pictures and the details that Susie and Anne shared about the tornado that came and snapped trees in the yard and the "uprooted trees" and the cleanup that had to take place afterwards. I see a pattern here.

God HAS uprooted the bloodshed (one of the root systems that He said He would uproot in the Carolinas) - Roe vs Wade. He shakes loose the roots and then He comes in and BLOWS it over. (That is the VICTORY He gave on Friday)

Then we remove the debris (that's us continuing to pray and set a rear guard.) The altar that was there, we rebuild an altar to the Lord. The shaking and the earthquakes is a sign to us that He is hearing our prayers, He has sent angelic assistance to unlock the ground. (Just like he said he would.)

I feel that the next shaking and loosening of the next root system will be over Greed. Kathy prophesied that on Saturday. The earthquake that happened last night is the sign of the next round of earthquakes and shaking that will shake loose Greed.

And as He did over bloodshed, He will come in and BLOW that over. We will set a rear guard over the victory through prayer, etc., and set up a new altar to the Lord.

Because that earthquake happened tonight while we were praying I will share my journal from this morning - Acts 2 - all in one accord in one place - suddenly came sound from heaven. I journaled this morning, Lord let me hear that sound from heaven! We heard it! [earlier in this Zoom when the earthquake happened, Kim heard and felt it!] The next round is that greed will be uprooted in our States in Jesus' name!

Susie: Chuck said there would be a new unity in the Carolinas that produces an anointing in America. This is when prophesied over each of the 13 Colonies this past March. He prophesied over both Carolinas together. He said there is a new unity anointing that can only come from the Carolinas. This is for every State, but it has to come from the Carolinas. "The Lord says it will cause wrath and greed to be uprooted. So I want to set a bloodline over you because you are uprooting greed, wrath, bloodshed and division, and broken covenant."

Kim identified that bloodshed was uprooted in that court decision. There is still debris to clean up, but that was still an uprooting. The next thing is greed.

Both Carolinas - and part of this word says prosperity anointing is what brings a unity anointing. Both NC and SC have prophetic words about wealth and prosperity that we are wanting to pull in so it is manifested. With wealth - whenever God gives you a gift, enemy wants to put up a stronghold against it. Greed would be a stronghold that comes in on wealth. So we are uprooting greed - what the Lord showed Kim - and today on zoom we had earthquake and the largest today at 3.5.

As God's people we want to agree with God and be right before him. What does it mean to have your eyes be bright? Greed, in scripture means your eyes are darkened. We want to have any greed out of us. This is a month to really look at that.

Matthew 6:22-23 TPT But if your eyes are focused on money, the light cannot penetrate and darkness takes its place. How profound will be the darkness within you if the light of truth

cannot enter! "How could you worship two gods at the same time? You will have to hate one and love the other, or be devoted to one and despise the other. You can't worship the true God while enslaved to the god of money!

Luke 11:34-36 No one would think of lighting a lamp and then hiding it in the basement where no one would benefit. A lamp belongs on a lamp stand, where all who enter may see its light. The eyes of your spirit allow revelation-light to enter into your being. When your heart is open the light floods in. But when your heart is hard and closed, the light cannot penetrate and darkness takes its place. Open your heart and consider my words. Watch out that you do not mistake your opinions for revelation-light! If your spirit burns with light, fully illuminated with no trace of darkness, you will be a shining lamp, reflecting rays of truth by the way you live.

Lord, we pray right now to receive a purifying and cleansing visitation from you - soft hearts open to you - pour out your Grace and mercy to allow us to have soft hearts that we may worship in spirit and truth. And light come forth - bright in innermost being. We submit ourselves to special work to bring us to place of fullness that our eyes be bright before you. TY for authority you have given us in our territory, where you put us, to be a stand against greed, in Jesus' name.

IX. He Has a People Who Believe! - Anne Romanello

You are seeing throughout this zoom how we are warring through. This is a FF celebration of Jesus who has given us a new month. We are saying you are our God, we are your people. We are following him with the revelation he gives us, and wisdom strategies and wisdom understanding on these matters. It's beautiful.

3 years ago when that word went out about praise him 7x a day for. ... I thank God that I have all of you with whom to gather and go through FF. 3 years ago we gathered to worship in this word, then that month Chuck sent out the 7-day prayer focus, and we gathered in this again the next month. It's written in heaven everyone who participated to make the meeting... , and those in alignment. I encourage you - that's how great our God is - anytime we gather for FIRST it's recorded in heaven. There are things we acknowledge - the 3 year word - and here it is! And, I have a feeling there are incredible things God uses us to do, that we will know in heaven, but maybe we don't have our eyes open now, or take time to ponder.

I thank you all. We are in this together. The battle has turned at the gate. We are love warriors. And He is using us together.

=> In Tammuz He has a brilliant, shining people! The Lord has been speaking through Hebrews 3 and 4. [See Heb 2:10 - end of chapter 4 below.]

Lord, Jesus, I pray that you would wash us with the word tonight. You are our high priest. You wash your Bride with your word tonight. We stand before you in faith, believing.

First - do you realize that likely during the entire month of Tammuz the 12 Hebrew spies were interpreting facts they were seeing with their eyes in Canaan. They were there 40 days, concluding on the 9th of AV.

=> So this month there are facts we will observe. And then there are interpretations. We want our interpretations to be faith-filled and true, and not filled with the evil of unbelief and lies. God is true; He is not a liar. His promises are true. That's how we want to go through Tammuz! How fitting that is for the people of God. God is true! He is not a liar! His promises are right!

You know the story - Moses went up ~ 8 times on Mt. Sinai... the 7th for intercession, and the 8th to receive the *second* set of ten commandments on tablets, after they were broken the first time because they had made and worshipped the golden calf... based in unbelief!

So there were facts - Moses was up on the mountain for a long time and they had evil, unbelief interpretations. And Num 13, 14 - the spies saw the facts that this really is the land of milk and honey - and they came up with crazy interpretations - rooted in unbelief!

We are not like the ten, but like Joshua and Caleb - through the grace given us by God! And we are in a different era in the earth, in covenant through Jesus. We don't need to overly identify with that unbelieving generation's fear and shame and reproach, but having been warned by it we stand in the power of Jesus, who has redeemed us and baptized us in Holy Spirit.

So hear this about TODAY from Hebrews 3 and 4 - which refers back to that time around Mt. Sinai and the calf - and especially the sin of unbelief keeping them from the Promise. Instead, we enter TODAY in BELIEF! We are people of the WORD! We can dance in light of God's word every day. Rejoice! Shine and be brilliant! Hear this word so we guard our hearts this month. He has a people who BELIEVE!

[Read Aloud] Heb 2:10 - 4:16 For now he towers above all creation, for all things exist through him and for him. And that God made him, pioneer of our salvation, perfect through his sufferings, for this is how he brings many sons and daughters to share in his glory. 11 Jesus, the Holy One, makes us holy. And as sons and daughters, we now belong to his same Father, so he is not ashamed or embarrassed to introduce us as his brothers and sisters! 12 For he has said, "I will reveal who you really are to my brothers and sisters, and I will glorify you with praises in the midst of the congregation." 13 And, "My confidence rests in God!" And again he says, "Here I am, one with the children Yahweh has given me."

14 Since all his "children" have flesh and blood, so Jesus became human to fully identify with us. He did this, so that he could experience death and annihilate the effects of the intimidating accuser who holds against us the power of death. 15 By embracing death Jesus sets free those who live their entire lives in bondage to the tormenting dread of death. 16 For it is clear that he didn't do this for the angels, but for all the sons and daughters of Abraham. 17 This is why he had to be a man and take hold of our humanity in every way. He made us his brothers and sisters and became our merciful and faithful King-Priest

before God; as the One who removed our sins to make us one with him. 18 He suffered and endured every test and temptation, so that he can help us every time we pass through the ordeals of life.

3:1 And so, dear brothers and sisters, you are now made holy, and each of you is invited to the feast of your heavenly calling. So fasten your thoughts fully onto Jesus, whom we embrace as our Apostle and King-Priest. 2 For he was faithful to the Father who appointed him, in the same way that Moses was a model of faithfulness in what was entrusted to him. 3 But Jesus is worthy to receive a much greater glory than Moses, for the one who builds a house deserves to be honored more than the house he builds. 4 Every house is built by someone, but God is the Designer and Builder of all things.

5 Indeed, Moses served God faithfully in all he gave him to do. His work prophetically illustrates things that would later be spoken and fulfilled. 6 But Christ is more than a Servant, he was faithful as the Son in charge of God's house. And now we are part of his house if we continue courageously to hold firmly to our bold confidence and our victorious hope.

7 This is why the Holy Spirit says, "If only you would listen to his voice this day! 8 Don't make him angry by hardening your hearts, like your ancestors did during the days of their rebellion, when they were tested in the wilderness. 9 There your fathers tested me and tried my patience even though they saw my miracles for forty years they still doubted me! 10 This ignited my anger with that generation and I said about them, 'They wander in their hearts just like they do with their feet, and they refuse to learn my ways.' 11 My heart grieved over them so I decreed: 'They will not enter into my rest!' "

12 So search your hearts every day, my brothers and sisters, and make sure that none of you has evil or unbelief hiding within you. For it will lead you astray, and make you unresponsive to the living God. 13 This is the time to encourage each other to never be stubborn or hardened by sin's deceitfulness. 14 For we are mingled with the Messiah, if we will continue unshaken in this confident assurance from the beginning until the end.

15 For again, the Scriptures say, If only today you would listen to his voice. Don't make him angry by hardening your hearts, as you did in the wilderness rebellion. 16 The same people who were delivered from bondage and brought out of Egypt by Moses, were the ones who heard and still rebelled. 17 They grieved God for forty years by sinning in their unbelief, until they dropped dead in the desert. 18 So God swore an oath that they would never enter into his calming place of rest all because they disobeyed him. 19 It is clear that they could not enter into their inheritance because they wrapped their hearts in unbelief. 4:1 Now the promise of entering into God's rest is still for us today. So we must be extremely careful to ensure that we all embrace the fullness of that promise and not fail to experience it. 2 For we have heard the good news of deliverance just as they did, yet they didn't join their faith with the Word. Instead, what they heard didn't affect them deeply, for they doubted. 3 For those of us who believe, faith activates the promise and we experience the realm of confident rest! For he has said, "I was grieved with them and made a solemn oath, 'They will not enter into my rest.' " God's works have all been completed from the foundation of the world, 4 for it says in the Scriptures, And on the seventh day God rested from all his works. 5 And again, as stated before, They will not enter into my rest.

6 Those who first heard the good news of deliverance failed to enter into that realm of faith's rest because of their unbelieving hearts. Yet the fact remains that we still have the opportunity to enter into

the faith-rest life and experience the fulfillment of the promise! 7 For God still has ordained a day for us to enter into called "Today." For it was long afterwards that God repeated it in David's words, "If only today you would listen to his voice and do not harden your hearts!"

8 Now if this promise of "rest" was fulfilled when Joshua brought the people into the land, God wouldn't have spoken later of another "rest" yet to come. 9 So we conclude that there is still a full and complete Sabbath-rest waiting for believers to experience. 10 As we enter into God's faith-rest life we cease from our own works, just as God celebrates his finished works and rests in them. 11 So then we must be eager to experience this faith-rest life, so that no one falls short by following the same pattern of doubt and unbelief.

12 For we have the living Word of God, which is full of energy, like a two-mouthed sword. It will even penetrate to the very core of our being where soul and spirit, bone and marrow meet! It interprets and reveals the true thoughts and secret motives of our hearts. 13 There is not one person who can hide their thoughts from God, for nothing that we do remains a secret, and nothing created is concealed, but everything is exposed and defenseless before his eyes, to whom we must render an account.

14 So then, we must cling in faith to all we know to be true. For we have a magnificent King-Priest, Jesus Christ, the Son of God, who rose into the heavenly realm for us, and now sympathizes with us in our frailty. 15 He understands humanity, for as a man, our magnificent King-Priest was tempted in every way just as we are, and conquered sin. 16 So now we draw near freely and boldly to where grace is enthroned, to receive mercy's kiss and discover the grace we urgently need to strengthen us in our time of weakness.

=> Let's shine brilliantly in Tammuz! He has a faith Troop! He has a joyful house of prayer! He has a people who believe in the work he did for us, so we can cease our own labors to try to provide our own! That's our message to demonstration our corporate testimony before powers and principalities and before everyone in this atmosphere, including those who are having tantrums according to the spirit of death. We serve and live in the life of him who beat death - the Exalted King, JESUS, the Life Giver! in Jesus' name!

X. Blessing and Sending Out: Life Carriers! Susie Zeigler
