

Decrees and Encouragement - week of 4/21/19

I wanted to follow up with last week's zoom in relation to Gen 26 and Isaac's location in Gerar. The name means 'rolling county', but it comes from a root word in Hebrew that means 'to bring up the cud' and is used to express the idea of rumination.

Rumination is the picture of scriptural meditation, of pondering and speaking out, over and over, what God has said until those words become part of the ruminant's heart and are incorporated into his very life.

God had settled Isaac in the place of meditation. Meditation is a key in hearing the voice of God.

Why I was just as excited when I looked up and heard the gym trainer say 'the fire alarm is being tested', as perhaps, Isaac was when he looked up and saw his Rebecca. (Gen 24:63) I think it is also noteworthy to point out that as Isaac needed his father's wells, meditation without the Holy Spirit can be dry and eventually even unfruitful or not as fruitful.

I declare we will step out into the deeper water of His presence, His word and His Spirit, in Jesus name. (Ezek 47)

Decrees and Encouragement - beyond 12/13/18

1. WOW! I don't even know where to begin. Tonight's meeting was right on target. I fully believe tonight is why these meetings were ordained. It is no mistake, or coincidence that District 9 (Gate 9) (new birth/serpent) is in an uproar. It was prophesied back in October. What is happening and about to happen in North Carolina is going to set a precedent in Our Nation. A Nation will be changed in a day. North Carolina will become The Gate of The Nation. A Siege and A Suddenly are taking place as this point in time and guess what? We are The Shamar Watchman. I fully believe we are each called to speak to The Land, wherever God has stationed us. We are to Declare NO YOU CANNOT HAVE OUR VINEYARD!! NOPE YOU CAN'T HAVE IT! WE ARE NOT GOING TO GIVE AWAY THE INHERITANCE OF OUR FATHERS!! We are to send forth angels to defend our vineyards, they are just waiting for our orders. We are to have Our Shields ready and go forth with A Breaker Anointing. We are being anointed at these zoom meeting and during our quiet times with Father. Guys tonight's meeting is everything Father God has been saying to me for months, but I thought I was just imagining it myself. I would go and do prayer walks around cities, but I couldn't understand why God was just sending me?! Now I'm beginning to understand and see the importance and

significance. I'm really just totally blown away. You hear it all the time, but Our God is just so awesome and so gracious in how he gives us information and confirmation.

Decrees and Encouragement - week of 12/4/18

1. That was an amazing Zoom. I can't wait to receive the transcript and read it. So many different gift sets. What the LORD is doing with us is exciting.

The Word that I kept hearing last night was effortless. As we shamar, watch, wait and listen for the one word to decree. When He delivers the Word for us to decree it is effortless. We decree what He says. We do not think about it or debate with Him. We use it as the tent peg that Jael used or the stone that David slew Goliath with and we will slay the enemy with His Word effortlessly because it is Him working through us.

I decree that we will yield to Holy Spirit and recognize His Word effortlessly. No fear! And in unity decree because we have chosen to unite together in Him. His Word will resonate within each of us and we will see His Victory in every situation. This will become effortless to each of us just as our hearts beat. We will keep time and be in rhythm with one another in HIM. In Jesus Name

3. Last night as the flute prophesied I saw Jesus standing at a wrought iron gate. He was standing there waiting on us to open the gate to Him. He smiled as we opened up the gate (ourselves in unity) and He came in. He said - Let's do this. I have waited for this unity, He said. The Carolina's coming together and inviting me to come in.

He revealed Himself to me in such a way. Each of us truly has been chosen for such a time as this. Jesus was waiting for our unity. We opened to Him and we now have access that we did not have previously.

I declare and decree that we will wield this new access wisely and co-labor with Jesus in His vineyard together in unity. Great things are about to be accomplished because we all made the choice to open up the gate in unity to Him. He has full access and we have full access in Jesus Name Amen.

(Can't wait to see what He is going to do through us)..What an adventure!!

Decrees and Encouragement - week of 11/27/18

1. Father, we call forth the Congruent Identity of the Shamar Watchmen, that we will in boldness declare what Holy Spirit would have us decree. Lord, we declare that the very DNA of our bodies be so congruent in unity with Holy Spirit, that your Will will be made manifest in the earth realm. We decree that we will move in the New in the Carolinas. We decree that the plans of the enemies of the Lord will be exposed and disposed. We declare that as your Watchmen prophets that we will remind you of what you have promised and announce what you have decreed to be established. Lord, may Your fire run through our veins! And that you Glory Wall will be established around the Carolinas. We declare that this anointing will affect the root of Virginia and that the covenant root would come forth. We decree that every covenant promise for this land will be manifest, and in that, a new nation covenanted to You will be born in a day!
2. I wanted to share that on my way to the meeting the Lord was telling me that he is looking for his sons and daughters to pick up their mantles and walk in their callings. I decree that the people of Carolina and the nations will be secure in their sonship through the Holy Spirit. That the generations after us will know the goodness of the Father and be confident in hearing the voice of the Lord. That they will walk in supernatural faith and confidence from the Lord. I speak against any religious strongholds that make people think they have to strive for God's love or that they are not worthy to do the Lord's good works he has set for us in Jesus Name!
3. ... These giants need to be addressed and taken down. I'm here to be a part of the army that changes this atmosphere. Let's get to it! Bless the Lord for his goodness and his timing and his revelation.

4. The rule of Baal and Jezebel is being broken off the nation and it has begun in the Carolinas. The veil is being ripped off, in Jesus Name!
5. Lord move the mountains of unrighteousness in our land; restore to us righteousness, may it start in our homes, neighborhoods, town, states, nations, let the earth be covered in Your righteousness... may Your righteousness flow through our churches, through the justice systems, through congress, through the senate, through the white house...You alone are what we desire. You are our only hope. We need You more than anything else.
