

# FIRST! Nisan 5782 Highlights Embassy of Zion 4/3/22

## I. Welcome, Prayer, Launching from NISAN to IYAR Susie and Anne

Prayers of thanksgiving and exaltation of our Great God...!

Lord, you are our God, and we are your people! ...

We offer ourselves to you, dedicate this time to you...

The Lord is manifesting his name: the Lord of Hosts! We say yes!...

- All of us give the Lord our vibrant praise at the beginning of this new month/ prophetic season, his gift to us!

## II. IYAR - a Month to *Hear and Move* with His Presence Anne Romanello

**Let's meditate on a FIRST that occurred in IYAR in God's word.**

Imagine all those at the camp of the Lord at Sinai, and the glory of the Lord was covering tabernacle with a cloud - that would be quite something. You would want to remain there, and not have that cloud lift.

=> But one thing about IYAR - **that tendency for us to want things to remain the same cannot stand in the way of the NEW that God wants to reveal for us.** They had to be willing at Moses' command to say, we are going to blow a trumpet and a second trumpet, and that means move. Are we willing to move with God? It may be awesome where we are, but God didn't want his people to remain camped at Sinai forever, right? We may be in pleasant places, but he has us on the move.

As described in Num 9, *"On the day the tabernacle, the tent of the covenant law, was set up, the cloud covered it. From evening till morning the cloud above the tabernacle looked like fire. 16 That is how it continued to be; the cloud covered it, and at night it looked like fire. 17 Whenever the cloud lifted from above the tent, the Israelites set out; wherever the cloud settled, the Israelites encamped. 18 At the Lord's command the Israelites set out, and at his command they encamped.*

=> **They had to be able to hear his voice. So must we!** Iyar is a fantastic time to press in to hear the Lord's voice, because he will reveal his mysteries to us.

Then in Num 10 it zooms in on **the first time ever** that the cloud lifted and they followed! Imagine! Num 10:11 *On the twentieth day of the second month of the second year, [after the Red Sea] the cloud lifted from above the tabernacle of the covenant law. 12 Then the Israelites set out from the Desert of Sinai and traveled from place to place until the cloud came to rest in the Desert of Paran. 13 They set out, this first time, at the Lord's command through Moses.*

=> What a day that was! **It happened in IYAR. they had to get in the move of God.** He was moving on, and they had to get in the move of God. Are we there? Pleasant places - *let's get in the move. He is moving . It is Iyar. We are moving.*

- Judah went first, with Issachar and Zebulun. Some of these carried the tent. (The east)
- The divisions of the camp of Reuben went next, with Simeon and Gad. (The south) Some of these carried the holy things.
- The divisions of the camp of Ephraim went next, under their standard. ... with Manasseh, and Benjamin.
- Finally, as the rear guard for all the units, the divisions of the camp of Dan set out under their standard. ... with Asher, and Naphtali.

They went out in Tribes. In the New Unity they were all moving; but they did not all have the same exact assignment. And they didn't all have the same timing. Who went first? Judah. And it was important that the rear guard went at the rear. They had what that took. It as important that Judah, Issachar, and Zebulun went first - they had what that took.

=> Lord, we say here we are, your people. We have what you put in us. In this month, IYAR, I activate for all of us **to hear your Voice**, especially when you blast a trumpet sound for us to get moving. We want to move. We set our intent for instant obedience, hearing you. **We will move with the Tribe you put us, we will move together as your people. We will accomplish your purpose and do it gladly. It is amazement in our eyes, God, because Your Presence is with us**, and shall be all this month of IYAR, just as you have been with us Lord, all the month of Nisan. Thank you, thank you Lord! In Jesus' name!

### III. What Are We Moving Toward? Susie Zeigler

Nisan was a new beginning for all of us. We have just come through the door of a Passover of Promise this year, and the banner I see over this month of IYAR is "Moving Towards". Think about that - **what** are we moving towards? Let's make some faith statements. What are we moving towards in this month?

**All answer:** Fullness! Freedom! Life! Unity! Covnenat! Victory! Peace! Anointings! Great Faith! Alignment! Our destiny! Our rest in Him! Pentecost! Breakthrough! Harvest!

**Susie:** We are going to get there, and actively participate every day this month, what HS is calling us toward. We are moving towards "531" - 5 fold government, 3 generations aligned, and 1 new man / one in Him.

WORSHIP - GZI Shabbat "Let your fire fall"

Lord, we say we are moving towards Pentecost and staying more and more connected with You each day! Increase our ability to abide in You. Increase our ability to hear Your voice and move in obedience with You, Holy Spirit.

IYAR is the month God is permeating your mind. Your mind is not your brain. Your brain will resist change. Lord, we ask You to activate our MINDS to operate in Your plan and come into alignment with You. And we submit our brains to You - let us think like You, Lord! We ask You to cause our brains work according to Your divine design!

#### IV. Prophetic Art: Launching Out

Sharon Penquite

Sharon describes the drawing: Starts where a lot of BOC is just parked. Then walked down rickety ladders into a gathering place. One of the boats was called a bit of a circus, it was anchored on the beach. As you go out into the water - every one has a willing heart. It's not chaos out there, but tumult. He said the boat has gone through the narrow place, and is going through a mind shift through mountains in the deep - crossing a blood brain barrier. I thought of each one of you and made you lollypops. The ship's name is "as one." ... The craft is literally turning and we are launching out into the deep, as one.

#### V. Clearing the Way for Mindset Shifts

Anne Romanello, Donna Souza, Susie Zeigler

**Anne Romanello:** Right now we want to lay down an “already listening” which says I already know, I’ve already been there - the mindset that literally cannot receive something new because we are so busy connecting it to something we have already experienced. And God is speaking to us and we don’t want to do that to him when he is speaking - simply to connect it with something we already experienced before. When the Israelites had the presence of the Lord at Sinai, they had to get moving. How do we get moving We hear a sound, we follow a voice, we are in a company who is moving. If as an individual I can’t really piece it together, where we are moving - go with the tribe the Lord has put me with - at least that.

Lord, we say we are your people who hear your Voice, who are led by our Shepherd. When you say go to the east, we say yes, Lord. We are not going to say I know what east is already; we are going to say yes, Lord I’m going east! And we are going to discover new meanings of “east,” we are going to discover new manifestation, new ministry! When you say, “I am the Lord your Healer, you are sent out as a healer to manifest Me” - we are not saying we already know that, we already prayed for people in the past. We are saying Yes, Lord! You are manifesting Yahweh Rapha through your people! We choose to be used!

And with that childlike faith we advance now. We cast down every mindset that says I already know, I already tried that. We cast down every mindset that keeps us stuck instead of on the move. In every listening of what you are saying, God, we are moving. HS you are in us! We submit ourselves to be transformed more and more, in our minds, just like Jesus, to move with you, God. You move in us and we are a people who move! We are triumphant ones who move, who go through, sent ones. We are not statically just trying to learn it all and build up a stack of knowledge. Lord, we are taking every new step and learning, experiencing, manifesting you and ministering you as your people.

Just as when they saw the resurrected Body of Jesus everything changed! They could not say, "I already know that, I had heard He is the resurrection and the life." They had to say, "*HE IS the Resurrection and the Life!*" You have a people God, who cast off those things that hold us back, and we say yes, Lord, we embrace the NEW mindset. Lord, I ask for angels of mindset shift to help us shift our minds and get in movement with you, step by step.

**Donna Souza:** By the power and blood of Jesus Christ I cast down any fear and that religion right now. The fear of supernatural, the fear of mystic, the fear of being outside the box and moving outside the box, the fear of ascending. You created everything. We desire to shift in this mindset. We say no to our adversary, no to our prideful selves, no to anything we have come into agreement with that has held us captive in our thinking. Lord, we set our gaze on you to leave behind what was yesterday. Lord, we set our gaze on you, in the name of Jesus!

**Susie:** Put your hand on your mind, your heart. Prov 4 says guard your heart with all diligence. Lord, help us guard our minds, help us guard our hearts. We purpose to guard our minds in you, Lord. Let your river of living water flow!

Supernatural utterances...

**Anne Romanello sings:** I've got joy for you in the boat of my presence, oh yeah. I've got joy, will you move in the groove of My presence, oh yeah. I've got joy for My people in this season, oh yeah. Move in the joy of the joy of My presence in the boat of My presence, oh yeah.

**Matthew Gargano:** The Lord was saying listen to the new sound of expectation because My purpose for you is coming in to play.

**Susie:** Lord, break resistance, in the name of Jesus. Break resistance to your Spirit and Voice. And secure your discernment, direction, communication with us, Lord, that we might hear clearly, perceive, see, and know your Voice. We TY for the Breaker anointing that is on each of us, Lord. We receive that breakthrough. We thank you that you are giving us faith to lift us to the next level and next place.

## **VI. Saturate with Scripture - especially Psalms and Proverbs** Susie Zeigler

To secure this breaking ties with our old mindsets, and breaking into new - we can saturate our spirit man with Scripture. In fact, this entire month, I feel Holy Spirit is highlighting Psalms and Proverbs. Let's all spend time in Psalms and Proverbs every day. Memorize. Meditate. Pause in His presence. Allow His mindsets to form in us.

Chuck said this morning: Allow the Word to go deeper in you ... for you to radiate His glory this month. Hear - Listen to these 2 verses with your mind these two scriptures as we prepare to move into worship with this next video.

*Romans 12:2. "Stop imitating the ideals and opinions of the culture around you, but be inwardly transformed by the Holy Spirit through a total reformation of how you think. This will empower you to discern God's will as you live a beautiful life, satisfying and perfect in his eyes."*

*Is 62:10 - "So ready yourselves to pass through the gates, from old to new. Clear the way for the people; Make it clear, easy, and straight. Unfurl the banners that proclaim these people are renewed!"*

## VII. Worship - Release the Angels - What Do You See?

**Kathy McMillan:** I feel a dimensional shift - the Lord is pulling something open and we are moving into a new dimension. We are moving together into this new dimension with him. I feel like a little kid - Lord, I don't know, but I want to go everywhere you are saying. So take us as one. We are just learning, but you can grow us quickly, and we know you are doing that. Here we are, Lord.

**Donna Souza:** Lord increase our childlike faith so we can go to places unknown.

**Julie Turck:** I just heard "thin place." Lord, we TY for the thin places you are bringing us into. We follow you for the plans and purposes you have set before us individually, and corporately. TY for sensitivity to move beyond ourselves, in Jesus' name.

**Matthew Gargano:** This goes back to the release of Psalms and Proverbs - keys to that dimension mentioned. Purpose and play is linked to Psalm and Proverbs. They are keys into stepping into this dimension, we have to step into that childlike faith, our need to play. Play is a strategy of warfare - as we enter the battlefield we still have to have time to play. And play on words. Play is a multi-dimensional word with multi-dimensional meaning. Purpose is lined to Psalms and Play is linked to Proverbs. It's a strategy into shifting into that dimension.

**Anne:** Already in this zoom, how are we discerning his spirit? He is here in a different way tonight. It may rock you back on your heels, but he is here differently tonight, and let's play with him, move with him. Tilt in the boat with him. He's teaching us in this month even with this very zoom here.

**Jai Smith:** I felt he was saying here I come, get ready.

**Susie:** Prepare the way. We want to swing wide the gates and open them for the King of glory to come in! We welcome you Lord!

**Kent Logan:** I'm coming on the clouds. Only, these clouds are going to touch your ground.

**Sharon Came:** I got Star Trek. He leads his team on a mission to explore new mission and planets, as he says boldly go where no man has gone before. He leads his team. Lord, we are on your team! We are ready, anointed, we are in unity, we are yours and we will boldly go where you take us, in Jesus' name.

### VIII. It's Time - Your Ship Has Come In! Julie Turck

This past week in a time of prayer, I heard Holy Spirit say, "It's time! Your ship has come in." He said this ship was in the spiritual realm but also the natural. The thought of fullness of time came to mind from *Ephesians 1:10 AMPC* "[He planned] for the maturity of the times (some translations say that in the dispensation of the fullness of the times) and the climax of the ages to unify all things and head them up and consummate them in Christ, [both] things in heaven and things on the earth."

The word "fullness" is the Greek word *pleroma*. I went to my bible and read a 'word wealth' on *pleroma* and it described it this way: I believe as I read this you will hear how it is prophetic in nature: "The word describes a ship with a full cargo and crew, and a town with no empty houses." When I read that, I began to make decrees over the BOC, over Charleston and all of the ports. I made decrees over the Ekklesia and myself.

So, it was the word "Fullness" that Holy Spirit first highlighted to me. *plērōma* play'-ro-mah From G4137; repletion or completion, that is, (subjectively) what fills (as contents, supplement, copiousness, multitude), or (objectively) what is filled (as container, performance, period): - which is put in to fill up, piece that filled up, fulfilling, full, fulness. (From Bible word wealth note:) "*The word describes a ship with a full cargo and crew, and a town with no empty houses.*"

This year is BET, the Year of the House, or the Container. House can represent Church, it can represent us - we are a container, a vessel-we will be filled. Full Cargo - made me think of revival, we will be filled. It made me think about the shipping issues we have had and the ports - Charleston and the whole NE Coast and beyond. Look for ports to open in the natural or in the spiritual. I'm looking for the thin places, an opening from heaven.

I looked in Barbie Breathitt's book to see about a ship. It can mean large spiritual influence, increased profits or improvements in business or ministry ventures, big ideas floating through your head, success - "your ship has come in." Complicated situations will work out for your benefit, a flowing ministry, business, corporation or church.

From [Possessing Your Inheritance](#) by Chuck Pierce - about Success (Pg.41-43)

#### **The Lord longs for us to succeed:**

- By moving our lives forward so we are not constantly living in the pain and regret of the past;
- By causing us to prevail over the enemy of our souls so that we are able to resist temptation and reclaim our inheritance;

- By causing us to act wisely and strategically;
- By promoting us to new levels at the right season; and
- By helping us to achieve our Destined purposes when we cry out to him along our paths.

#### **4 Keys To Success**

1. Put God First
2. Follow Covenant Agreement
3. Seek Strategy From God To Reach Your Goal
4. Live In Christ

Holy Spirit is saying it is time to be filled up, it is time to succeed, it's time to break out of some boundaries, it's time to walk in some anointings.

I want to give an example of something that speaks into this month. Now just keep in your mind about what I have shared about fullness/pleroma and "it's time. Your ship has come in." Thursday night Joe and I went to see our nephews who were taking part in an Arts explosion - they had a fashion show, art, dancing, a cappella singing and the play Narnia. The program said this: Art's Explosion "It's Time."

When things like this happen, it is more than just a cool confirmation but He gets my full attention. Narnia is a movie based of CS Lewis' books. These four siblings are being shipped off to safety because it is during a time of war - finding their identity and warring against the evil coming against Narnia. It's Time.

I heard and acknowledge Holy Spirit when things like that happen and we especially want to in this month with the Tribe of Issachar, which is known for its anointing to understand the times/seasons and understand His secrets.

Lastly, I want to share what He is showing me with VAV, the letter for this month. Did y'all see Chuck's shirt today? As soon as I saw him I said that shirt has a message! I believe that Holy Spirit has lots of revelation to be connected this month. We know this is a month of increasing revelation and this is the month also linked with light.

So when I was thinking a ship with a full cargo and crew, and a town with no empty houses, He reminded me about something He spoke to me for STYOR. He said that Our caravans (our containers) are full of LIGHT and MIRACLES.

So see this: Here we are coming out of Nisan, the beginning of miracles, and into Iyar - not just the month of natural healings, but the month linked with Light. So we have the linking of Nisan (Miracles) to Iyar (Natural Healing) but we also have a linking going all they way back to STYOR with Miracles and Light being brought forth in our Caravans/Containers.

There is A LOT of revelation that the Lord is linking this month. Believe that He has secrets to share with you. Remember our ship has come in - in the natural and in the spirit realm. Look

for our ports to open in the natural and look for the anointing or gifts you are seeking in from the spiritual realm.

There are things about anointing that Holy Spirit is speaking into now and we want to have FULL expression. And Chuck says this in Time to Advance: “We should have the foundation to receive the anointing by the second month. The FULL expression of God’s blessing begins in the seventh month, but by this month you should have obtained the anointing to receive from him what you ask.”

So, I exhort you to take heed: ‘It’s Time. Your Ship has come in’ and ask what that means for you personally, corporately and territorially.

**Susie:** Isn’t it interesting all about the ships - Sharon’s ships in her picture, and Julie’s hearing the ship. I think of Zebulun when I think of ships, and that’s next month. We are moving toward Zebulun. And the Lord is speaking to us about ships because we are going to be ready when we get to Zebulun.

I love the definition of plermo - full cargo and a whole crew reminds me of “all hands on deck” Now is the time for “all hands on deck.” So jump on the ship - the worship and the warship as we move along to Zebulun.

## IX. Battlefield, Not Balcony Matthew Gargano

I’m still trying to recover from being drunk and overwhelmed in the Spirit by the way God is moving and the new anointing he has released here. That was amazing, Julie, in so many respects. And for me the confirmation is the things he had for me to bring earlier today to enter in this (postcard with camel caravan) and (bell ornament) that says be ready for change. And a fountain pen - I only write my revelation in blue fountain pens. For 2+ years I have always bought cartridges for this pen. 2 years ago the Lord had me buy this ink well that I have never opened, until today, when I was writing up this month of IYAR and my cartridge ran out - HS said I need you to get this little device and draw from the well. What Julie said about word well, and Susie said about word ship - this is part of digging into the well and cargo. Confirmation upon confirmation!

When I pressed in for IYAR He immediately showed me a cemetery full of headstones. Not a scary thing. I did not get the impression there were dead bodies buried there, but the focus was on the headstones. I looked in Barbie Breathitt’s dream book - headstones: “One has forgotten buried talents or potential by laying some area of gifting to rest. the inscription will give valuable insights as to how people view life, seize every moment, and live life to the fullest.”

The Lord was showing me this is a time for folks to seek him for that inscription on the gifts and talents that either we have buried, or the Lord has buried within us to be released for such a time as this. It’s not the parable of talents - it has to do with gifts and talents we buried or the

Lord buried within us, because we put them away for such a time as this. Now is the time to uncover them. Sometimes we bury things for safe keeping. My grandparents burying stuff in back yard. And later we would find what they had buried. It's not a bad thing; it's a timing issue in this case. To seek the inscription on headstone is very important.

We must thank God for the boundary lines he has established for us. Thank Him for always keeping us in our boundary lines - making sure we are always at the right place at the right time, doing the right thing for the right reason, with the right motivation.

He also said seeking or setting for God's permissive will, won't be as effective as we need to be. We need to seek and settle for nothing less than the Father's perfect will.

HS also said if David was on the battle field at the time he was supposed to be, he would not have ended up on the balcony botching things up. This is not a season for us to botch things up. While there are times for us to be on the balcony - (I do not like war, but now am OK with it..) - because David was supposed to be on the battlefield at that appointed and anointed time - the very passions and desires that God stirred up in him for battle were then misapplied to the balcony. Those desires had to go somewhere, they have to be released. Because he wasn't where he was supposed to be at that appointed time, those desires were misapplied to the balcony. So when David stepped outside God's perfect will and boundary lines those desires manifested in the wrong way. We must make sure we are properly aligned in the place God wants us to release what is inside us, or we will misfire. This is not a season for misfiring.

In [A Time to Advance](#) - IYAR linked to Issachar - knew the times... in covenant with God. We too must operate in the Issachar anointing so we stay and move where we need to ... and not get sidetracked... As long as we remain in our covenant place, in Christ, in walking out the finished work of Jesus, we will not miss it. We will be in the Father's perfect will for each of us and stay in the right pace, time, reason, ... resulting in glory to God!

## **X. IYAR - Glory Unfolding** Anne Romanello

This zoom is on an apostolic-prophetic foundation. You can pull that into your life. Get activated on that foundation right now. Whether or not you are accustomed to this, get in it right now. It's moving. You can get on that ship. The new anointing is here. I sense it, don't you? If you don't sense the anointing, can't discern the Spirit of God right now - Lord we open that path to everyone here to sense how you are manifesting on this zoom, and all month long. We want to lay hold of that and move with it!

The day is here! It's time for me to share with you a little clip I made on my very favorite NOVA episode - nature unfolding in an origami-like way. This day has arrived to share something I love with people I love!

I removed the scientists' voices out so you could see for two minutes the glory of God and what he knit in nature, and he does that in us. He unfolds! And I overlaid the sound of what

Chuck prophesied this morning about the word of God going deep in us to pull up and release glory, that we can wear that glory. How fitting for the people of God!

These scientists remarked - we don't know why nature folds up like this - but they are looking at it from a reverse perspective. God is unfolding the revelation of his glory that he put in nature. [shares video clip] Chuck prophesies: The Lord is saying, I am going to double helix your DNA. I am going to uncover that glory in my people. I am going to move by the Spirit in them in a new way, and cause what has tarnished, captured, oppressed, depressed, and attacked the glory that I meant for today. I will address those things if you will allow my word to go deeper in you. In the weeks ahead the glory will be brighter upon you. See, this month is about radiance, it's about you radiating. Put your hand on someone and say let that radiating power go. Remember what the Lord just said - if you will allow me to go deeper in you, my word to go deeper in you, I will cause you to wear and radiate the glory that that word unlocks. Father, we TY. We sense your Spirit here, moving and hovering through us.

**Susie:** Of the increase of his Kingdom there shall be no end!

**Anne:** Here's the [Link to the full Nova episode](#) if you want to watch it. As I re-watched it in preparation, I prayed for every one of those scientists to come to know the One they are talking about.

[Remember the 7 harvest trainings - an angel visited Chuck] The angel said to Chuck: once these seven harvest trainings are released, the transference of harvest (think our ship coming in) will begin into the newly developed storehouses, apostolic centers.

In the month of IYAR, with the email invitation we sent out highlighting IYAR happenings in scripture, what was begun and completed in IYAR? The foundation. Now individually and together all of us are the temple of God to host his presence, yes? We want the glory that he knit in us to come up and manifests when we are alone, and especially when we are together. For the move of God, he wants apostolic storehouses. We say Lord, lay your foundation this month in us, through us. Let us see it; let us move with you for laying foundation for apostolic storehouses.

*"The Lord has called us to kingdom harvest, and the voice of harvest coming out of the Carolinas. We are moving to see the harvest come. (In IYAR as the cloud moved - we are moving toward harvest - that's one of the things we are moving toward.) It's not going to happen without the armies of earth partnering with the angelic hosts of heaven.*

So Lord we receive partnering with your mindset shift angels, we receive partnering with your harvest angels, and every other warring angel we need at this time - we say yes!

*"It's not going to last until the government of God is formed in a territory so there are storehouses to bring the harvest into."* Lord, we TY and ask You to bless this apostolic prophetic foundation, Your people everywhere in this territory - not this group alone - but everywhere those moving in Your authority You released when You ascended, Eph 4.

By the way, when Jesus ascended, what month did that happen? This month! You may want to re-read the gifts he gave upon his ascension as found in Eph 4. And the purpose of it - fullness. What are we moving toward? Fullness? Eph 4 - read it and check it out for yourself. This is the month Jesus gave gifts so ultimately we could go to fullness.

Do you think the people who saw his ascension, and the angels said what are you looking for? He's going now but he's coming back in the same way. Don't you know that surely they looked up at the sky every day of their after that, longing for his appearing! He had something for them to do between his going away and coming back. What did he tell them to do? Get moving. Where? Jerusalem. Go hang out in the upper room waiting for HS because he's coming! Pentecost is coming! That's what they were moving toward. They had to go get in Pentecost so they could be his witnesses - Jerusalem, Judea, Samaria, uttermost parts of the earth. Keep moving OUT!

This train is on the move, this ship is on the move, and he has given us wonderful companions to move with. And he is the Lord of Hosts here in his power.

After his resurrection he appeared many times to many people! Just as the children of Israel knew what it was to hang out with the presence of God at Sinai - they didn't know until they took their first steps how incredible it was to move with God to new places.

The disciples heard Jesus say His "I Am" statements. Robert teaches beautifully on the I Am names of God released in IYAR. Jesus made seven incredible I Am statements. Everyone to whom he appeared saw it in a different way.

Their mindset of what they thought they knew completely shifted. Before he died he said I'm the resurrection and the life. When they saw his resurrected body, do you think they had a mindset shift of what that meant?

Lord, help us to let go of everything we think we know! And help us move in, and demonstrate! Lord, I want to see your people be the manifestation of your seven glorious "I Am" statements. Right now let's see the resurrected body of Jesus in these statements.

### **The SEVEN "I Am" sayings of Jesus**

- 1 I Am the Bread of Life - John 6:35. (It was in Iyar that they first received manna.)
- 2 I Am the Light of the World - John 8:12. That's a lot of light!
- 3 I Am the Door - John 10:9.
- 4 I Am the Good Shepherd - John 10:11.
- 5 I Am the Resurrection and the Life - John 11:25,26.
- 6 I Am the Way, the Truth, and the Life - John 14:6.
- 7 I Am the True Vine - John 15:5.

Did you picture his followers looking at the resurrected Body of Christ and seeing those names in a new way? Now, who represents the resurrected body of Christ on earth today? We do!

He ascended this month, and he didn't leave us alone. Jesus is the connecting pin between us and the Father. He's the vav. And he fills us with his Spirit so we can host his presence. And not only that, we get to be a demonstration of the resurrected BOC.

Lord, we lay down all our mindsets about that and say reach out through us, True Vine. Every part of who you are, you put your spirit in us, your people, to host your presence, to be that in the earth today. So we embrace our identity, Lord, of carriers of your glory. We are on the move because together we host your presence. We embrace our identity of you, in Jesus' name.

**Worship** - GZI - A Sound of Change is Now Before Us/ No Other Name But the Name of Jesus!

## **XI. Sent Out: Glory Carriers on the Move!** Anne Romanello

I send us forth, all month long, carriers of the Glory, who are in the Harvest Move of God, in Jesus' name!
